

PEOPLE,  
GET READY!

**D**o you seek genuine prophecy that can be easily verified by the Word of an Almighty and ever living Creator God as well as documented history and/or current events? I have compiled all the evidence of the fulfillment of the Prophecies that Jesus said must occur before He returns. You will no doubt find this manuscript very helpful in your studies. I have documented historic facts within it proving Prophetic fulfillment of prophecies that MOST people believe have yet to be fulfilled! Thanks to cover ups in “modern media”, over 90% of all Christians I speak with had no idea that some of these prophecies were actually already fulfilled! You MUST read it SOON! It will help you understand just how wonderfully close we are to the glorious return of our King Jesus Christ!!

**Amazing Truth . . .** There are 404 verses in the book of Revelation. 278 of them can be found almost word for word in all the other books of the Bible. Want to understand Revelation? It’s simple... Read the Bible.

A Testimony regarding “People get ready”

*...Finally, I would just like to say that my coming to the Lord has happened suddenly, in a matter of weeks, but has been the result of “People Get Ready” and other influences over the past 5 years, but kindled mainly through your document. I am still a “babe-in-Christ” but already know so much, close members have noticed the change of urgency in me, I have somehow learnt most things even though I have never been to church. Most of the things I have been shown are “Meaty” yet I have coped with it, no problem!*

*This document, (People Get Ready) which you do not need me saying, is by far the most important and impressive reading since the Bible and Bible codes and feel that more people should be made aware of it! Several friends etc in the church had never thought these facts possible.*

Thank you, -Kevin S. (U.K)

PEOPLE, GET READY!

Within this book you will find prophecies that Jesus said **MUST** happen before His return to the earth to receive His Bride, the true remnant church. You will find that **ALL** prophecies listed here have been fulfilled, with the exception of the seven plagues of Revelation that occur directly before Jesus returns. I pray you will be blessed deeply by the truth provided in God's Holy Word.

The first two prophecies are well known among many Christians today to have already been fulfilled. Most of today's history books do record this event as having occurred, however, they don't acknowledge the fact that Jesus prophesied this event 40 years prior to it's actual fulfillment.

Unless otherwise noted, The Bible I'll be quoting from is the Authorized King James Version.

Prophecies 7 through 17 proclaim we ARE in the very last days!

# PROPHECY NUMBER 1

JESUS SAID BEFORE HE RETURNS, HIS FOLLOWERS IN JERUSALEM MUST FLEE TO THE MOUNTAINS, AND THEN JERUSALEM WILL BE DESTROYED

- *Matthew 24:15,16* “When ye therefore shall see the **abomination of desolation**, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:) Then let them which be in Judaea **flee into the mountains:**”

HISTORIC FACT IS...

In A.D.66 when Cestius came against the city, but unaccountably withdrew, the Christians discerned in this the sign foretold by Christ, and fled while 1,100,000 Jews are said to have been killed in the terrible siege in A.D. 70. (*The attack of the Roman warrior Titus occurred in 70AD killing the 1,100,000 Jews*) *Eusebius, Church History, book 3, chap. 5*

The Christians living at the time Cestius came against the city, and then withdrew, understood exactly what was happening. They remembered the prophecy Jesus made in *Matthew 24:15,16* and fled to the mountains before the Roman army returned in 70AD with Titus. Could it be Cestius was “*casing the joint*” as we say in today’s lingo? For whatever reason, the Lord saw fit to warn His children in advance of this day and they glorified Him by believing His prophetic statements and fleeing as He suggested they should. As the history book records we see that the non-believing Jews in the city saw no danger when Cestius stopped by. And because they chose to deny Jesus and ignore His prophecy, they paid for their disbelief with their very lives! 1,100,000 men woman and children DIED when Titus returned to burn Jerusalem to the ground. They could have all been spared a horrible death had they just believed in this one mere prophecy of our Lord! Think about today and all the prophecies that have been fulfilled over the years in just our lifetime alone. What an honor, to be loved so deeply by the Almighty Creator that He would warn us in advance like this.

After I read about this prophetic event as a young Christian I understood the importance of prophecy and why the Lord saw fit to bless us with it. I actually saw two reasons for His prophecy.

- (1) PROPHECY GLORIFIES GOD IN HIS TRUTH
- (2) IT'S GOD'S PERFECT METHOD OF WARNING HIS CHILDREN!

When we see the Almighty's prophecy come to light with 100% accuracy like this, we see a true and awesome Creator who knows all, has created all, and does in fact see all. We also see a God that loves His children so much that He actually writes them a book that shares with them the one true and accurate method by which to live and prepare themselves for His eternal Kingdom. Which by the way, is VERY soon in coming as you will soon see.

## PROPHECY NUMBER 2

### THE FOLLOWERS OF JESUS WILL EXPERIENCE A GREAT PERSECUTION, OR “TRIBULATION” BEFORE HIS RETURN

- *Matthew 24:21* “For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.”

This Great Tribulation that Jesus speaks of here in Matthew 24 is one prophecy that is so often taken out of context. It is actually taught by some as being at some time in the future. But what about all the history books that record the **Dark Ages** with such unintentional prophetic accuracy? Are we to assume that this documented period in history is one that should be forgotten, or looked at lightly? Are we supposed to say that over **500 Million** Christians slaughtered for their faith in Jesus as being a time in history that isn't recorded in God's Prophetic Word? Does not the book of Revelation, as well as Daniel speak of a period of persecution occurring? Does it not plainly state Antichrist will attack and kill many Christians? On my page entitled, “7 Year Trib, Fact or Fiction” (see Index) I share graphic evidence that will no doubt shock you. Most true seekers of Truth that read that page agree, it's amazing how such a blunt and well known time in history has been so easily clouded over by the agents of Rome as a time that Christ overlooked in prophecy. (See my book, “The Second Window” (see Index) for an in depth look at the truth about this as well.) Think about it for a moment... All the history books in every library on earth record a period of time with intense religious persecution. Here are just a few excerpts...

“For teaching faith contrary to the teaching of the Church of Rome, history records the martyrdom of more than **100 million people.**”  
*Brief Bible Readings p. 16.*

Under the bloody maxims those persecutions were carried on, from the eleventh and twelfth centuries almost to the present day, which stand out on the page of history. After the signal of open martyrdom had been given in the canons of Orleans, there followed the extirpation of the Albigenses, under the form of a crusade, the establishment of the inquisition, the cruel attempts to extinguish

the Waldenses, the martyrdoms of the Lollards, the cruel wars to exterminate the Bohemians, the burning of Huss and Jerome, and multitudes of other confessors, before the Reformation; and afterwards, the ferocious cruelties practised in the Netherlands, the martyrdoms of queen Mary's reign, the extinction, by fire and sword, of the reformation in Spain and Italy, by fraud and open persecution in Poland, the massacre of Bartholomew, the persecution of the Huguenots by the League... and all the cruelties and perjuries connected with the revocation of the edict of Nantz [Nantes]. These are the more open and conspicuous **facts which explain the prophecy**, besides the slow and secret murders of the holy tribunal of the inquisition. -Rev. T. R. BIRKS, M.A., *The Four Prophetic Empires, and the Kingdom of Messiah* (1845 ed.) pp. 248, 249.

The church of Rome has shed **more innocent blood than any other institution** that has ever existed among mankind, will be questioned by no Protestant who has a competent knowledge of history. The memorials, indeed, of many of her persecutions are now so scanty that it is impossible to form a complete conception of the multitudes of victims, and it is quite certain that no powers of imagination can adequately realize their sufferings. -W.E.H. LECKY, *History of the Rise and Influence of the Spirit of Rationalism in Europe*, (Reprint; New York: Braziller, 1955) Vol.2 pp. 40-45

The Dark Ages have been recorded in almost every history book available today, however, you may find that some of the modern day history books have altered or even omitted certain historical **facts** that can be easily researched in most local libraries. Rome has been able to do this over the course of our lifetime alone. Everyone knows about the Inquisitions, the crusades, and all the tirades across the Globe that this church has bragged about in days of old. But do any of the preachers or teachers speak of this time as being a prophetic event recorded in the Word of God? No they have not. Rome has even stepped into the learning institutions to assure they won't even be taught these truths before they become pastors. However, the Internet has arrived, and now everyone on Earth has access to the largest library of information known to man. This is one of the main reasons the Pope decided to apologize to the world in his "mea-culpa" (see Index) of March 12, 2000 for torturing and killing all those Christians. Almost anyone with access to a computer, can

now verify just what Rome did. Not ALL the books were destroyed. And many of them are now accessible ONLINE! In fact, it no longer matters if your in a poor country, or unable to buy such a book. They now have Internet Cafe's in most countries, and in the USA your local libraries allow anyone to sit down and browse the World Wide Web for FREE! All the doctored history books in the world can't change the fact that Rome tortured and killed those innocent people. We have more proof now than did the innocent people living in that day!

Think of it, 100 MILLION! That actually dwarfs Hitler's holocaust by comparison! Some historians, like John Foxe, of "Foxe's book of Martyrs" are even estimating the death toll at just over 500 MILLION! This period was indeed the most extensive attack to date ever on the true Christian church in the history of mankind. But still, some preachers will go so far as to say this day is yet to come. Don't let those preachers of error scare you into thinking it's better to be a sinner than a saint because of a precarious future ahead. Of course all Christians will become extremely unpopular soon, and they will experience a short time of trouble as well as the "*...time of Jacob's trouble, but he shall be saved out of it.*" [Jeremiah 30:7] We have an Almighty and Loving Heavenly Father that will protect and keep us during the trouble Jeremiah speaks of. However, the wicked will be all alone when the "*time of Jacob's trouble*" is realized. They haven't learned how to trust and rely on the God of all creation for protection in this intense time. And those that knowing the Truth concerning these facts waited until the troubles started to walk with Christ, they too will be found lost when Christ arrives. For they do not love Christ as Lord, and seek to please Him with their lives. They only seek Him as a way out of Hellfire, and this is not why He came. Sure, those that follow Christ will escape damnation, but this is not why we follow Him. We do so because we love Him.

Yes there is indeed a time of spiritual as well as physical trouble coming to this planet very soon, however, when the plagues do begin to fall, it is entirely directed toward the wicked, NOT the Christian! The Bible states very plainly that the children of God will be spared the seven last plagues of Revelation. The Unbeliever is the one that has the wrath of God poured upon him, and this wrath is poured WITHOUT mercy!

- *Revelation 14:9,10* “And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, The same shall drink of the wine of the **wrath of God, which is poured out without mixture** into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:”

100 Million Christians, perhaps 500 Million! And they were all killed because the apostate Roman Catholic church thought they were doing God a favor by their terrorist methods of evangelizing! This brings to mind another prophecy that Jesus makes in the book of John about how the children of God will actually be persecuted by their very own religious leaders.

- JESUS SAID IN... *John 16:2* “They shall put you out of the **synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth God service.**”

Were you aware that the Pope almost echoed verbatim what Christ said in this passage? The Pope of Rome admitted in his mea culpa on March 12, 2000 that the Vatican thought they were doing God’s will when they tortured and killed all those people! To think that some religious leaders have actually been blinded so much that they think torturing a person, sometimes for days on end, and then eventually killing that person rather than preaching the Gospel to them is the method Jesus would have instructed them to do. This is evidence of the power and ability of a diabolical enemy we have found ourselves engaging. Nevertheless, don’t let that slow you down one bit. For the Word says... “I can do all things through Christ which strengtheneth me.” [Philippians 4:13]

The next three prophecies are a bit on the extraordinary in manner. Some would say shocking. I honestly believe that this is no mistake. I believe Jesus planned it that way so that when the prophecy comes to be, it can in no way be mistaken for anything less than fulfillment.

I will not be a bit surprised if you never knew these next three prophecies were actually fulfilled. The enemy has been very busy keeping these facts hidden from the general public. This has been going on for many hundreds of years. Rome has been very crafty in making sure certain facts were hidden from the general public.

Whenever an event occurs in history of Biblical proportions, the media of the day always seems to do a *hush hush* on it. Not unlike today in fact. They always seem to use the reason for playing it down to be that they want to prevent wide spread panic. I have recently noticed watching the TV news, many times a reporter will report an event that was actually prophesied in the Bible. But later the story will be absolutely impossible to find repeated on any other newscast or network. It's almost as if they realized their *snafu* of letting the prophecy confirmation air, and then decided to do a *hush hush* job on it to spare us the details. These next three prophecies are just like that. History does however record them in vivid detail. So be ready to see a prophecy of old come to light this very day. I have talked with many Christians about these prophecies, and with true honesty, I have to say that over 90% were amazed that they never knew of these particular facts!

**PROPHECY #3, #4, and #5** are ALL found in Matthew 24:29, and proclaimed by Jesus Himself!

## PROPHECY NUMBER 3

### THE SUN WILL BE TURNED TO DARKNESS

- *Matthew 24:29* “Immediately **after the tribulation** of those days **shall the sun be darkened**, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken:”

Documented historical facts reveal...

Timothy Dwight, president of **Yale**, remembered that “a very general opinion prevailed, that the day of judgment was at hand. The [Connecticut] House of Representatives, being unable to transact business, adjourned,” **but the Council lighted candles, preferring, as a member said, “to be found at work if the judgment were approaching.”** (See JOHN W. BARBER, *Connecticut Historical Collections* [2d ed., 1836], p.403).

... If every luminous body in the universe had been shrouded in impenetrable shades, or struck out of existence, the darkness could not have been more complete. **A sheet of white paper held within a few inches of the eyes was equally invisible with the blackest velvet.** -SAMUEL TENNEY, *Letter (1785) in Collections of the Massachusetts Historical Society, part 1, vol.1 (1792 ed.), pp.97,98.*

The remarkable **Dark Day of May 19, 1780**, is described by Samuel Williams of **Harvard**, The professor relates... “between the hours of ten and eleven a.m., and continued until the middle of the next night,... Candles were lighted up in houses; ... the birds having sung their evening songs, disappeared, and became silent;... the fowls retired to roost; ... the cocks were crowing all around, as at the break of day; ... objects could not be distinguished but at a very little distance; and everything bore the **appearance and gloom of night.**” -*Memoirs of the American Academy of Arts and Sciences [through 1783], vol.1 pp. 234, 235.*

How can anyone deny such documented testimonies? Did you notice who these testimonies were from? A YALE president... The Historical Society of Massachusetts... And a HARVARD professor! These are credible witnesses! Over Sixteen and a half centuries earlier, the Lord Jesus said that after the tribulation period

(see Index) (1260 year dark ages) ended, these signs would begin to appear! And as we always see with the prophecy of an Almighty Omnipotent God... **THE SIGNS OF HIS COMING DID INDEED BEGIN TO APPEAR.**

Some of you are probably a little shocked right now. Some of you may have always believed this day was still to arrive. Don't let that bother you though, *you found out today*, just as the Lord had planned for some of you. The enemy has been very cunning in his ability to hide the truth from many people for thousands of years. Today's time is no exception, as a matter of fact, today is more likely to be a conglomerate of confusing demonic lying attacks on the truth mainly because "*...the devil is come down... having great wrath, because he knoweth that he hath but a short time.*" [Revelation 12:12] So expect the worse people. Absolutely every aspect of battle, every scrap of lying wonders, is being showered on mankind with such density that it boggles the mind.

I have noticed something a bit obvious though. The enemy has a tendency to always show his hand. Take for example, the fact that so many people have trouble believing in Jesus today. The devil has geared his attack directly upon faith in Jesus! How obvious is that, I ask? One can actually find the truth by merely looking at what threatens the devil the most! It's truly become that obvious, and rightly so. It's the end times and the devil knows his time is short. Certain aspects of his attack are being exposed mainly because *so many* have fallen for his lies that their hidden agendas are bound to leak out and become visible to all. I am not alone in this either. Many have noticed the signs and have realized this proves the enemy knows his time is *extremely* short. It is easily noticed by watching the way mankind has played the trends as well.

Let me explain... In the 50's we had greasers and Fonzie types as a method of sin exploration. In the 60's we had the beatniks. In the 70's we had the hippies and free love. In the 80's it was the leisure suit clad Disco scene that enticed many into a world of sin. But look at the 90's and later. Every single method of the past is back! They are all playing out all at the same time, including some new decadent trends as well. It's almost as if the enemy is saying... "*I had them dying on a daily basis using these methods in the 50's, 60's, 70's, and 80's. Why not get them to recall the trends of the past in one last hoorah before*

*game over!*” It’s a fact people! Visit any big city and you will see people emulating trends of the 50’s through the 90’s all at the same time! These young people (and old alike) are seeking an answer to their inner self in places that are extremely deadly. The devil has convinced them that they have found themselves and need not look to the Bible for the answer. It’s so sad and even ironic. They are searching for peace, and the very things that can give them peace is what they avoid at all costs!

# PROPHECY NUMBER 4

## THE MOON WILL BE TURNED TO THE APPEARANCE OF BLOOD

- *Matthew 24:29* “Immediately after the tribulation of those days shall the sun be darkened, and the **moon shall not give her light**, and the stars shall fall from heaven, and the powers of the heavens shall be shaken:”

We see here that the prophecy states that the moon will not give her light directly after the sun is darkened. I like looking to the book of Joel to further illustrate this prophecy. Joel actually explains why the moon will not give her light and shine in her normal brilliance. We also understand this is speaking of the same prophetic event, because Joel places it in the same chronological order as Christ does in *Matthew 24*.

- *Joel 2:31* “The sun shall be turned into darkness, and the **moon into blood**, before the great and terrible day of the LORD come.”

We see why in the book of Joel that the moon will have trouble shining on that day. It will appear to look as if it's covered in blood. This isn't the only reason I went to this particular verse. The reference to the bloody appearance is an important aspect in this prophecy. The Lord knew man would see the moon in this condition and comment on its apparent shade of crimson!

The moon was at it's full, and had the **appearance of blood**. *Stone's History of Massachusetts*

“There was an appearance of midnight at noonday,” and in the evening, although the moon was just past full, “perhaps it was never darker since the children of Israel left the house of bondage.” In connection with this extraordinary phenomenon **the moon was reported to appear red**. (*Letter signed “Viator” in the Independent Chronical [Boston], May 25, 1780, p.2; see also the Pennsylvania Evening Post [Philadelphia], June 6, 1780, p. 62*)

By the way, not only was the moon full this day, it was on the inner side of the planet's orbit. This means those cunning skeptics out there **can't** claim a lunar eclipse as the culprit for this prophetic

event. Most everyone I know either owns, or knows someone that owns a computer, or has access to the Internet. I suggest you check the lunar charts for the date May 19, 1780 to verify this event. You are bound to have no trouble confirming this fact. PLUS... An eclipse can never last all day and all night. Unless of course the sun stopped dead in its tracks for 24 hours. (*This can, and has happened by the way...* See *Joshua 10:12-14*)

Is this not awesome? The prophecy states that the moon will not give her light. Then Joel confirms it is an authentic prophetic event by telling us it's because it appears as blood. Then many hundreds of years later after Christ declares this prophetic event for us in *Matthew 24*, we see it recorded as fact in the newspapers and media of the day that the moon had in fact the appearance of blood on a dark and sunless day!

# PROPHECY NUMBER 5

## THE STARS SHALL FALL FROM HEAVEN

- *Matthew 24:29* “Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars **shall fall from heaven**, and the powers of the heavens shall be shaken:”

Documented Records reveal...

An eyewitness reported “This language of the prophet has always been received as metaphorical. Yesterday it was literally fulfilled,... as no man before yesterday had conceived to be possible that it should be fulfilled... Were I to hunt through nature for a simile, I could not find one so apt to illustrate the appearance of the heavens as that which St. John uses in the prophecy... They were what the world understands by the name of “**Falling Stars**” -Eyewitness account in the *New York Journal of Commerce*, vol.8, no.534, Saturday, Nov 16,1833 Edition.

“The morning of November 13th, 1833,” says an eyewitness, a Yale astronomer, “was rendered memorable by an exhibition of **the phenomenon called shooting stars**, which was probably more extensive and magnificent than any similar one hitherto recorded... Probably no celestial phenomenon has ever occurred in this country since its first settlement, which was viewed with so much admiration and **delight by one class of spectators**, or with so much astonishment and **fear by another class.**” - DENISON OLMSTED in *The American Journal of Science and Arts*, vol. 25 (1834), pp. 363, 364

“From the Gulf of Mexico to Halifax, until daylight with some difficulty put an end to the display, the sky was scored in every direction with shining tracks and illuminated with majestic **fireballs**. At Boston, the frequency of meteors was estimated to be about half that of flakes of snow in an average snowstorm... Traced backwards, their paths were invariably found to converge to a point in the constellation Leo.” -AGNES M. CLEREKE, *A Popular History of Astronomy* (1885 ed.), pp. 369, 370.

Frederick Douglas, in reminiscing about his early days of slavery,

says: “I witnessed this gorgeous spectacle, and was awe-struck. The air seemed filled with bright messengers from the sky... I was not without the suggestion at the moment that it might be the harbinger of the **coming of the Son of Man**; and in my then state of mind I was prepared to hail Him as my friend and deliverer. I had read that **“the stars shall fall from heaven, and they were now falling.”** -*Life and Times of Frederick Douglass* (1941 ed.), p.117.

Is that not amazing!?! All three prophetic events occurred in perfect order just as Jesus said they would occur. And one thing many may not be aware of is that they also happened in the exact time in History that Christ said they would. Did you notice in *Matthew 24:29* that Jesus started that passage by saying, “*Immediately after the tribulation of those days...*” before sharing the three prophetic events? In other words, ALL of those prophetic events were to occur after Rome was finished killing the Christians. And just as prophecy predicted. The Roman Catholic church was pulled from power by Napoleon, and the massive killings were stopped. We then start to see these signs fulfilled. Yet to this day preachers are stating that the great tribulation is still to come. Why? Because Rome has been very busy in hiding these historic facts about her past that link directly with prophecies of Antichrist. They MUST hide them if their modern day agenda is to come to light. Is it any wonder the Roman Catholic church put the Bible on the Index of forbidden books in 1229AD at the council of Valencia? They knew that if the people looked into their Bibles they would realize Antichrist was doing exactly as prophecy said he would do AT THAT TIME! Truth is, they were in the midst of the Great Tribulation right when Rome starting burning Bibles. As I stated earlier, I have more information on these particular facts on my 7 Year Trib Fact or Fiction page (see Index).

The devil has indeed been very busy hiding these historical facts for very obvious reasons. Had I known of these prophetic events in my youth when I was reading those government altered history books, I would have been searching the Scriptures a lot sooner than the ripe old age of 27. Did you notice this statement from the article describing the falling stars? It described the spectacle by saying it, “*was viewed with so much admiration and delight by one class of spectators, or with so much astonishment and fear by another class*” What an awesome preamble to that great and terrible day of our Lord. Some will embrace the day and proclaim with delight...

*“Lo, this is our God; we have waited for him, and he will save us...”*  
[Isaiah 25:9]. And still others will cry out to the mountains and rocks  
in fear... “Fall on us, and hide us from the face of him that sitteth on  
the throne, and from the wrath of the Lamb” [Revelation 6:16]

There is one more prophecy that is in connection with the previous  
three...

# PROPHECY NUMBER 6

## THERE MUST BE A GREAT EARTHQUAKE “BEFORE” THE SUN IS DARKENED AND THE MOON BECOMES AS BLOOD

- *Revelation 6:12* “And I beheld when he had opened the sixth seal, and, lo, **there was a great earthquake**; and the sun became black as sackcloth of hair, and the moon became as blood;”

Did you notice, Revelation 6:12 actually puts it in chronological order. It states that “*there was a great earthquake*” and **then** John writes “*the sun became black as sackcloth of hair, and the moon became as blood;*”

A great earthquake? How great? Greater than San Francisco? Greater than Mexico City? And will it really occur before The remarkable **Dark Day of May 19, 1780**? Well, 25 years BEFORE “*the sun became black as sackcloth of hair, and the moon became as blood;*” There was an earthquake of the greatest magnitude ever recorded in the history of man!

“The Lisbon Earthquake, which occurred on **November 1, 1755**, is the **most notable earthquake in history.**” -*Nelson’s New Loose-leaf Encyclopedia* (Book Productions Industries Inc.), art. “Earthquake.”

Says Sir Charles Lyell, “A violent shock threw down the greater part of the city. In the course of about six minutes, **60,000** persons perished. The sea first retired and laid the bar dry; it then rolled in, rising **50 feet or more above its ordinary level**... The area over which this convulsion extended is **very remarkable.**” -*Principles of Geology* (11th ed., 1872), vol. 2, pp. 147, 148.

*Encyclopedia Britannica* (1945) estimates the deaths at a lower figure, but says the effects of the quake were felt from **Scotland to Asia Minor** and the distinctive feature of the Lisbon Earthquake was the agitation of inland lakes and streams **far beyond the disturbed area** -For instance, Italy, Switzerland, Great Britain, Sweden, and Norway felt the effects. (Articles “Lisbon” and “Earthquakes”)

NOTE.—This doubtless refers to the great earthquake of **November 1, 1755**, commonly known as **the Lisbon earthquake**, the effects of which were felt over an area of **4,000,000 square miles**. Lisbon, Portugal, a city containing 150,000 inhabitants, was almost

entirely destroyed. The shock of the earthquake, says Mr. Sears, in his *of the World*,” page 200, “**was instantly followed by the fall of every church and convent**, almost all the large public buildings, and one-fourth of the houses. In about two hours afterward, fires broke out in different quarters, and raged with such violence for the space of nearly three days that the city was completely desolated. The earthquake happened on a holy day, when the churches and convents were full of people, very few of whom escaped . . . The terror of the people was beyond description. Nobody wept: it was beyond tears. They ran hither and thither, delirious with horror and astonishment, beating their faces and breasts, crying, ‘*Misericordia! the world’s at an end!*’. Mothers forgot their children, and ran about loaded with crucifixes. Unfortunately, many ran to the churches for protection; but in vain was the sacrament exposed; in vain did the poor creatures embrace the altars; images, priests, and people were buried in one common ruin. . . . **Ninety thousand persons** are supposed to have been lost on that fatal day.” -*brief bible readings for the Home* (see Index).

This earthquake was so intense that it still fascinates Scientists of today. Some have even gone so far as to try and say a black hole hit Lisbon! Can you imagine that? To go to such lengths as to try and disprove the Bible with such an outrageous claim as this. Anyone with an ounce of sense that has read even the slightest amount of data on the makeup of a black hole, would know that this is completely impossible. The entire planet would be destroyed if a black hole even came near our orbit, let alone hit us! When will these scientists learn you cannot disprove the infallible Word of the Creator God!

The six prophecies I just shared must occur so as to proclaim the **nearness** of our Lord Jesus Christ’s second coming. However, the next list of prophecies have to do with the **VERY LAST DAYS** before Jesus returns. These prophecies will actually answer the following two questions...

- **HOW CAN WE KNOW WE ARE IN THE VERY LAST DAYS OF HISTORY?**
- **DOES THE BIBLE CLEARLY DESCRIBE THE STATE OF THE WORLD AND THE PEOPLE LIVING IN THE LAST GENERATION?**

# PROPHECY NUMBER 7

## TROUBLE BETWEEN CAPITAL AND LABOR WILL OCCUR

- *James 5:4,8* “Behold, the hire of the labourers who have reaped down your fields, which is of you kept back by fraud, crieth: and the cries of them which have reaped are entered into the ears of the Lord. Be ye also patient; stablish your hearts: for the coming of the Lord draweth nigh.”

How many times have we been the victim, or knew someone that was treated unfair by their employer? How many of us have had paychecks held back, or even bounce and never receive compensation for a job well done? I am sure there are those of us who at one time or another in the course of life, have had to leave places of employment due to unfair conditions. I am also certain there have been many situations similar to today throughout history. But I doubt very seriously if they were running as rampant as we see nowadays. The prophecy states that in the end times the people hired will have to deal with employers trying to pay them as little as possible by keeping their pay within their own silk lined pockets. Looking to documented recorded historical facts we see this is indeed the case.

After the Civil War, industrialization proceeded at a rapid pace; as the number of industrial workers grew, they began to conduct **strikes with increasing frequency**... Among the most bitterly contested strikes of the late 19th and early 20th centuries were those conducted by steel workers in 1892; by bituminous-coal miners in 1894 and 1897 and anthracite-coal miners in 1900 and 1902; and by employees of the Pullman Car Company in 1894. Many of these strikes were marked by major outbreaks of violence; in the Pullman strike, for example, President Grover Cleveland sent U.S. Army troops to the scene to quell the rioting. - “Strike,” Microsoft (R) Encarta. Copyright (c) 1994 Microsoft Corporation. Copyright (c) 1994 Funk & Wagnall’s Corporation.

The use by the employer of armed guards or of police, either to harass pickets or to protect strikebreakers, often resulted in violence. The 1960s and 70s witnessed a **growing number of strikes** by public employees, notably teachers, municipal workers, policemen, and firemen. *The Concise Columbia Encyclopedia is licensed from Columbia University Press. Before the end times began, strikes were never heard of before in all of history. Strikes are not people deciding to take a vacation in mass quantities for no pay. Strikes are more often than not the last resort most people want to deal with. It is usually because the hired help has tried every method at their disposal to try and improve the working conditions and negotiate a fair rate of pay for services rendered. No one wants to walk out of their job and stand in a picket line all hours of the day for no paycheck! You can't feed your families with activities such as this. In fact, most people can't afford to picket. They have to seek employment elsewhere to feed their families during strikes, and at the same time deal with claims of unfaithfulness from fellow workers on the picket lines. Is there anyone here that has not realized the numerous amount of strikes in today's society? Teachers alone seem to strike somewhere in this nation each and every year. This prophecy is easily fulfilled by picking up and reading your local newspaper on a daily basis almost! By the way, this also leads to another prophecy found in the book of James as to the reason there are strikes...

- *James 5:3-4*, “Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. **Ye have heaped treasure together for the last days.** Behold, the hire of the labourers who have reaped down your fields, which is of you kept **back by fraud**, crieth: and the cries of them which have reaped are entered into the ears of the Lord of sabaoth.”

One prime example of this is McDonald's. All their employees are run ragged for minimum wage yet the owners of McDonald's are billionaires! They can easily pay their employees more for what they do, but they choose rather to “heap treasure together” instead. You cannot spend what these men make in a lifetime, yet they refuse to give a dime more to their employees. As for the “kept back by fraud” end of things, according to God, you must pay the worker what he is worth.

- *1 Timothy 5:18*, “For the scripture saith, **Thou shalt not muzzle the ox** that treadeth out the corn. And, **The labourer is worthy of his reward.**”

When McDonald's holds back, they defraud their employees. I won't even comment on child laborers in some countries that work for pennies a day to make their bosses rich.

# PROPHECY NUMBER 8

## WARS AND RUMORS OF WARS

- *Matthew 24:6,7*, “And ye shall hear of **wars and rumours of wars**: see that ye be not troubled: for all these things must come to pass, but the end is not yet. For **nation shall rise against nation, and kingdom against kingdom**: and there shall be famines, and pestilences, and earthquakes, in divers places.”

Throughout the thousands of years of human history we have had wars. The Bible records many wars itself. War is, sorry to say, a fact of life on this troubled planet. But has anyone ever looked at the time table of the history of war itself? Lets just look at the 20th century alone. In the early 1900's we experienced World War I AND World War II. These are the two greatest wars in the history of the human race! Since then we've had quite a number of wars across the globe. I would like to point out for the record, just what is entailed when someone makes the statement “*World War I*” Did you know just how many actual wars took place to generate such a statement? Not a lot of folks in today's world realize just what that statement implies.

**Dates of declaration of War by principal countries:** Austria-Hungary on Serbia, July 28, 1914; Germany on Russia, Aug. 1, 1914; Germany on France, Aug. 3, 1914; Britain on Germany, Aug. 4, 1914; France on Austria-Hungary, Aug. 11, 1914; Britain on Austria-Hungary, Aug. 12, 1914; Italy on Austria, May 23, 1915; Bulgaria on Serbia, Oct. 15, 1915; Italy on Bulgaria, Oct. 19, 1914; Germany on Portugal, Mar. 9, 1916; Italy on Germany, Aug. 27, 1916; Rumania on Austria-Hungary, Aug. 27, 1916; Germany on Rumania, Aug 29, 1916; Turkey on Rumania, Aug. 30, 1916; Bulgaria on Rumania, Sept. 1, 1916; Greece (Provisional Government) on Germany and Bulgaria, Nov. 23, 1916; U.S. on Germany, Apr. 6, 1917; U.S. on Austria-Hungary, Dec. 7, 1917. *Time Magazine* “*The War... What did the World Gain?*” August 4, 1924 Excerpt ~ *The American Legion Weekly*

Did you also notice the lapse of time was less than three years for all these declarations of war to come about? From July of 1914 to December of 1917, there were 18 declarations of WAR between nations! If I were to ask ten people of different age groups and ethnic backgrounds alive today to tell me how many wars they remember in their lifetime,

I would be one busy little camper listening to all the wars that have occurred in the last few decades alone. And that's just the wars we as Americans know about. Many nations around the world are at war as we speak, yet do we hear much about them? No, only rumors. The powers that be find it far more necessary to hide certain truths from us, rather than spill the beans as to just how many people are dying on a daily basis due to war. Everywhere you look, you either hear or read about one nation rising against another nation. This is so prophetically accurate it boggles the mind how so many Christians ignore it.

I suggest everyone try keeping a list of all the wars that you read about in the daily newspaper for just one year. You will be absolutely amazed at the amount of bloodshed occurring all around us today. I also recommend this web site; *Historical Atlas of the Twentieth Century* (see Index). On it you will find a rather extensive atlas of all the wars recorded in the twentieth century. It seems that some nations are actually going to war essentially for economic gain, and I truly believe this is a fact in some cases.

I recall as a youth in high school in my history class, we would have debates as actual governments to learn governmental policy. Our teacher thought it would be good to learn the inner workings of governing nations. It was normal procedure from what we learned in the history books, and our frequent debates, that we did in fact have to declare war at times to save the economy of a particular nation! The nation would be financially built up by the production of arms for another. Or jobs were created within a warring nation to manufacture arms for the nations fighting military. There were other "benefits" to war as well, but I'm sure you get what I mean. Truth is, it is indeed very big business in today's world to manufacture products that are built solely for the use of fatally shredding human flesh beyond all possible recognition.

**More money is spent today on armaments and defense than ever before in the history of the world.** *A World in Turmoil Discoveries in Prophecy* Mark A. Finley 1995

Defense expenditure 1990 estimates

- USA = **\$312.9 Billion**
- World = **\$1.1 Trillion**

CIA Hypertext World Fact Book DOS Version 1993

**\$1.1 TRILLION?!?!** I wonder just how many nations are actually dipping into this well of financial liquidity? I wonder if there are any nations out there that have *Arms Production* as their main export? I also wonder if the powers that be would ever release that kind of information. It truly doesn't matter to me anyway. All I concern myself with is truth that cannot be changed. And the real Truth is, the Lord Jesus said it would happen and we see it has happened as perfectly accurate as He said it would.

This leads us directly into the next prophecy that Jesus said must occur in the **VERY LAST DAYS** before His triumphant second coming.

## PROPHECY NUMBER 9

### DISTRESS, PERPLEXITY, AND FEAR WITHIN ALL NATIONS

- *Luke 21:25,26* "...distress of nations, with perplexity;... **Men's hearts failing them for fear**, and for looking after those things which are coming on the earth"

### JUST WHY DO YOU THINK THE NATIONS ARE SO FEARFUL?

*U.S. News and World Report*, in it's March 16, 1992 issue, reported that **THREE** nuclear weapons from Azerbaijan, the Muslim state of the Soviet Union, had "**disappeared**"? Russian nuclear specialists had shown up in **Teheran**, and those three missing nuclear weapons had actually been sold by the cash-starved Soviets to **IRAN!**

*U.S. News and World Report*, Covering a meeting of NATO leaders, Reported that **THREE MORE** nuclear weapons had **disappeared** from Soviet arsenals... and they knew that they had also been sold to third world countries!

*C.E.M. Joad, a Cambridge University Scholar* once said..."**There has never been a weapon made that hasn't been used.**"

According to a report in the Arabic newspaper al-Hayat, Osama bin Laden's **al-Qaida terrorist network bought tactical nuclear weapons** from Ukraine in 1998. The report says the terrorists still have the "**suitcase nuke**" weapons and are storing them in safe places for possible use. *WorldNetDaily.com Feb 8, 2004*

Do you suppose this would cause some nations to experience fear to some extent? Of course it will. These nations are now looking at possible annihilation from their previous not so tough enemies. It doesn't seem fair does it? But this is not about fairness is it? It's about prophetic **FACT!** The prophecy is stating that "*Men's hearts will be failing them for fear,*" and this is **EXACTLY** what is occurring. Everyone knows that almost every single weapon ever built has been used at one time or another, and now these supremely deadly weapons are being wielded by the itchy trigger fingers of middle eastern madmen.

No longer are the Soviets guarding their enormous stash of nuclear weaponry. No, they are *open for business* to the highest bidder all for the oldest reason in the book, "*The almighty dollar!*" Back in

the early 90's the Soviets were once again starving as in 1917. The only difference is they have a product to sell. The oil rich countries were walking up and down the Soviets *Nuclear Shopping Centers* waving massive amounts of cash, and the starving Soviets were taking every opportunity that came their way to get out of debt. Even if it meant selling nuclear warheads to crazed Arab Sheiks with an attitude problem. Am I saying we are in for a worldwide nuclear holocaust? **No I am not!** The Bible does not say that, and I will not preach lies. The Bible does say however...

- *Revelation 11:18* “**And the nations were angry, and thy wrath is come, and the time of the dead, that they should be judged, and that thou shouldst give reward unto thy servants the prophets, and to the saints, and them that fear thy name, small and great; and shouldst destroy them which destroy the earth.**”

“...*And the nations were angry*” Did you notice they are angry just before the wrath of God plays out upon the wicked. Is this not the world at large today? The Bible also says that those who would want to destroy the earth will be destroyed by God's wrath instead. Think about it, how will God be able to destroy those that destroy the earth if they were already destroyed with the earth when they bombed it? The fact is... The Almighty will intervene, it will only be a limited nuclear exchange if at all. The Word of God is TRUTH. Trust it!

One more interesting fact in His Word on this subject should be noted...

- *Luke 21:28* “And when these things begin to come to pass, **then look up, and lift up your heads;** for your redemption draweth nigh.”

Jesus is telling us very plainly that when we see these events taking place that we should *look up* because *our redemption is drawing near*. If we are to be totally destroyed by nuclear war, how are we going to be able to look up when our entire bodies are in the process of being vaporized? *No there will be no nuclear annihilation*. In fact...

- *1 Thessalonians 5:2,3* says, “For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, **Peace and safety; then sudden destruction cometh upon them,** as travail upon a woman with child; and **they shall not escape**”

When the nations of the world have the ability to destroy each other

entirely, the Bible says they will be working on a *worldwide plan of peace*. Hmmmm, kind of sounds like the birth pangs of today's present day U.N. plans now doesn't it? Kinda sounds like the ecumenical message Rome has been spouting regarding world peace.

The Word of God is sure and trustworthy. Mankind will actually be working on a worldwide plan for peace, and *then* Jesus will return to take His Bride, the *TRUE remnant church*. And by the way. Before moving unto the next prophecy, I would like to make it known that this fear is not limited to governments alone. The people of this world are right now proving this prophecy fulfilled.

Take everyday life in this nation alone. Have you ever feared death from a stray bullet in a drive by shooting? Many people do on a daily basis in the cities of this nation. There is even some degree of fear for those of us with a mere headache because of the *Tylenol poisonings* of a few years back. Our own children must deal with fear in many degrees by just going to school. Will they be pressured by a bigger kid into taking drugs? Will one of their teachers molest them? No longer is the classroom bully a mere childhood fact of growing up for some. Now the class bully is a gun carrying lunatic with no regard for human life. Plus with the recent exposure of the largest well known organized group of homosexual child molesters, children the world over have to fear being raped by Roman Catholic priests now. Not to mention their parents always having the ever present thought that, is that priest endangering my child? There is even fear in traveling to the corner market in our family cars. Will we die in a head-on collision by a drunk who crosses into our lane doing 90, or will we become part of a hostage situation once we get to the corner market because some crazed manic depressive doesn't have the money to buy his children Christmas presents? This prophecy is easy to be seen as fulfilled. **IT IS PLAINLY PROPHESED...** "that **in the last days perilous times shall come.**" *2Timothy 3:1* And so they have!

# PROPHECY NUMBER 10

## KNOWLEDGE SHALL BE INCREASED

- *Daniel 12:4* “But thou, O Daniel, shut up the words, and seal the book, even to the **time of the end**: many shall run to and fro, **and knowledge shall be increased.**”

Is there anyone of us that have not spent time with a Grandparent or older person talking about what life was like 50, 60, or 70 years ago? How many of us haven't heard the comical stories of traveling to school in waste deep snow in sub-zero weather for miles every day? I myself being born in the 50's have seen so many awesome technological breakthroughs that I actually have lost some of the thrill when I hear about the leaps and bounds of today's technology.

Have you ever read some of the “Science” or “Mechanic” magazines? Some pretty remarkable inventions are coming to our market every month! Not only has this “*Increase in knowledge*” affected our technology; we have now come to a **full understanding** of the prophecies that were “...*Sealed ... even to the time of the end...*” in the book of Daniel. Revelation chapter 10 confirms that perfectly.

With that in mind, I ask, what about those Christians of old that never saw these day by day marvels. Would they look upon these leaps of science with the same mediocrity as we do? **I think not.** I think they knew exactly what was beginning to happen back when the end times began, and the knowledge started to show absolute signs of increase. As a matter of historic fact, they really did notice what was going on...

“A wheel turned no faster in Hannibal's time than it did in George Washington's. It took just as long to cultivate a wheat field in Egypt in 5000 B.C. as it did anywhere at the turn of the nineteenth century... The speed of technological change was almost as slow as that of life itself. Then suddenly, with the utilization of steam and electricity **more changes were made in technology in two generations than in all the thousands of years of previous human history put together.** Wheels and machines turned so fast that man could cover more distances in one day than he used to be able to do in a lifetime.” -NORMAN COUSINS, *Modern Man is Obsolete* (1945 ed.), pp. 15,16. Viking Press, Inc., New York.

“The technological conditions of human life had changed faster between 1800 and 1919 than in the preceding 2,000 years -one might perhaps say 3,000 years.” -LUCIEN PRICE, *Between Two Wars*,” chap.2 in *Religion in the Post-War World*, vol.2, p.22. Cambridge, Mass.: Harvard University Press, 1945.

The 20th Century a characteristically unique time in history~the headlong, accelerating growth of scientific knowledge. The curve of knowledge is exponential, growing steeper like the curve of squares (1~4~9~16~36~49...). **It has changed men’s lives more in the past 20 years than in the previous 50; more in that 50 years than in the previous 2000. Man cannot, dare not stop its growth, though he does not know where it is taking him.** -Time magazine “*Steep Curve to Level Four*” Jan 2 1950

Check out this fairly small, and by no means complete list of inventions that are a direct result of the knowledge being increased in our day.

*Need I Mention... ?*

Man landing on the moon... The Helicopter... The Russian space station Mir... Sonar technology... Ultra sound technology... Infrared technology... Herrier Aircraft... Open heart surgery... Organ transplants... Virtual reality... Robotic Automation... The World Wide Web... Holographic technology...

The list is truly endless of the amount of inventions that have occurred due to this prophecy coming to light in our day. There have been more documented breakthroughs in science since the year 1803

then there has been in all the previous 5,800 years of recorded history. And as I said before. It's not just technological breakthroughs either. There are now more people walking this earth that have a much greater knowledge of not only the Scriptures themselves, the prophecies of the Word, as well as the symbols in the prophetic Word are understood by far more now than ever before in the History of mankind. For it is plainly penned in *Daniel 12:4* that at “the time of the end: ... knowledge shall be increased”

One other important note many miss is this. Daniel also says this...

- Daniel 7:23 “Thus he said, **The fourth beast** shall be the **fourth kingdom** upon earth, which shall be **diverse from all kingdoms**, and shall devour the whole earth, and shall tread it down, and break it in pieces.”

Daniel states in 7:23 that the fourth kingdom will be “*diverse*” from all the others? Another word for diverse is “incomparable” or “different.” Yes, the “woman sitting on the beast” is a completely different type of kingdom. But looking around one can also see that yes, our world is indeed different. With all the inventions of modern man, this world of ours is totally and inconceivably unlike any other kingdom in the entire history of mankind! It has been said that 80% of the worlds total knowledge has been brought forth in the last decade alone, and 90% of all Scientists that ever lived are alive TODAY! The Almighty is no dime store psychic folks, when He says something is about to happen... **IT WILL!**

# PROPHECY NUMBER 11

## THERE WILL BE SCOFFERS AND THEY WILL NOT ENDURE SOUND DOCTRINE

- 2 Peter 3:3 “...there shall come in the last days scoffers...”
- 2 Timothy 4:3,4 “...they will not endure **sound doctrine**; And they shall turn away their ears from the truth, and **shall be turned unto fables.**”

I am sure many of us had to deal at one time or another with someone attacking or ridiculing them for their faith. Or how about the friend or loved ones that try to convince you that the Bible is a myth. I always become a little concerned when someone is trying to convince me by their lack of faith. So I figure they are seeking in their own way for truth, and I take the opportunity to preach Jesus to them. More often than not I have an intelligent conversation that way. Try it, you might find a hidden agenda to some of their attacks. I even had a friend tell me that he believes the devil to be stronger than Jesus because most of the world is evil. Can you imagine? Using only the eyes to look upon spiritual matters? This is most definitely one of Satan's biggest triumphs! Jesus said it would be just like Noah's day, and in Noah's day EVERYONE was evil with the exception of a mere eight souls in the ark!

Scoffers are everywhere you look. Try getting into a conversation with a friend in a store, on a train, or a crowded elevator about Jesus and prophecy and see how boldly the scoffer will step up. I am very serious about that. Try it! It is indeed an opportunity to preach, however limited, it is still an opportunity. The bold scoffer will always seek an opportunity to attack Scripture simply out of fear that it may be right. So they will try to get as many in their camp as possible, even if it's only a few people close by that they will never meet again in life. They need this acceptance of error so as to “ok” their own sin. Have you ever heard the old saying, “misery loves company?”

So be prepared, they will attack with a fervor. But, don't get rattled, stay in the Word, and have your research and bible facts well memorized. And don't let them change the topic you are on. They are the ones that invaded your conversation, so control it. Every time I tried this with a friend, the one that steps up ends up being blessed with

facts he or she never knew. Some accept it, some don't. But those listening on are blessed no matter what. It's kinda like having your own mini soapbox to stand on for a few moments.

When it comes to the prophecy about the people of the world not enduring sound doctrine, this is evident in all denominations worldwide. We see this played out in many areas of life. The media, religious leaders, and teachers are openly and quite boldly denying plain teachings in the Bible. In fact, a poll taken by the "*Pittsburgh Press*" on Sept. 24th 1977, revealed that only 2% of American student ministers actually believe in the second coming of Jesus! That was way back in the 70's! These "students" are Pastors, and Teachers **TODAY!**

To illustrate this fact of life, I would like to share a few documented examples of sound doctrine being denied to you. Please keep in mind that I am not slamming any one denomination. I am merely trying to illustrate the fact that no denomination is totally safe from the cunning infiltrating attacks of the devil, if left unchecked!

#### "Couple's suicide means \$10 million for charity"

"They were taking the high road to death," said their former pastor, Charles Heuser. ...their will specified their money to go to the United Church of Christ Organizations. -Dec. 1994 *Daily Southtown Minneapolis*.

This is so blatantly obvious in regards to the state of our society when a so called Man of God states that killing oneself and breaking the **sixth commandment** is in his own words... "*taking the high road to death.*" Will this not be a blessing to those advocates of legalized physician assisted suicide? Reading further in the article, we see the again obvious reason for his statement..."*their will specified their money to go to the United Church of Christ Organizations*" Again that almighty dollar bill rears it's ugly head! This pastor was far more concerned with the millions he was about to embrace, than the lives of those he was called to protect and shepherd home. This is the ultimate example of a preacher of filthy lucre! I can see no better example than this man called Charles Heuser.

#### "Bernardin and the Jews"

Cardinal Bernardin's (Catholic) lecture at Hebrew University: RE: Statements on the verse, John 8:44 Bernardin remarks: "These state-

ments can no longer be taught as authentic doctrine or used as catechesis by contemporary Christianity and can no longer be regarded as definitive teaching. **Christians no longer may believe that the words that the Jews are the children of the devil are words Jesus actually said or are the revealed word of God.**"  
-Sunday April 9 1995 Daily Southtown Opinion section p.1 / Article By  
~ ANDREW M. GREELEY

It is indeed a very dangerous deed to challenge the Word of God! It is also a very dangerous deed to put ones faith in the error filled fleeting flesh of a man, rather than the Omnipotent Love of the Almighty and ever Living God! The Word says we ought to obey God rather than men, but this Roman Catholic Cardinal not only declares that a lie, he calls Christ a liar as well by stating what He said was not true! How can a mere man state that the INFALLIBLE BIBLE can be changed. **Is it not written...**

- *Malachi 3:6* "For I am the LORD, **I change not...**"
- *Psalms 89:34* "My covenant will I not break, **nor alter the thing that is gone out of my lips.**"

We must keep in mind people that these prophecies were spoken into existence by the most Loving Father of all time for His children so they may be prepared!

- *Isaiah 48:5* declares boldly that, "I have even **from the beginning declared it to thee; before it came to pass I shewed it thee:** lest thou shouldest say, Mine idol hath done them, and my graven image, and my molten image, hath commanded them."

**"Small town mourns 10 year old's death"** (*this child was murdered*)

Rev. Richard White a United Methodist pastor said; "**There may be things that even God can't control**" -Aug 16, 1995 Danville Commercial News p. 1

Again, a Man of God trying to console in a fleshly way decides to deglorify the Lord by putting Him in a box and stating that "*There may be things that even God can't control*" This is one statement that bothers me to no end. We have a God that Created ALL THINGS seen and unseen, and yet according to this pastor, God couldn't handle this particular problem! There is a reason for everything, good and bad. There are situations that come to everyone's life that are hard to

understand at times. This does not mean that God Almighty has taken a back seat to any problem or situation. I do not know why the child died, I do however know that the killer made a terrible decision when it came to the sixth commandment. The Lord WILL deal with that man in due time as well. I pray that he repents and truly accepts Jesus as his personal Savior before he dies, or the final trumpet blows and the seven last plagues of Revelation start.

For this pastor to make a statement like this is granting all those with-in earshot that God Almighty is in no way as mighty as His Word declares. It's lies like this that are peppered all throughout the media, in books, in video tapes, in casual conversations, on the TV or radio, in fact in all aspects of life. Satan has been advertising this type of lie since the garden of Eden and he obviously has no intention of stopping now. Is it any wonder this next article comes into existence?

**“Presbyterian Church “backs” Jack Kevorkian”** Jan. 30 1994  
-Reported on... *Chicago Television News* Chan. 2,5,7, & 9

Jack Kevorkian attended **another suicide** Sunday evening, that of a 71-year old psychiatrist who was suffering from colon cancer, said Geoffrey Fieger, Kevorkian's attorney... ..Kevorkian has acknowledged attending **41 deaths**, including Sunday's, since **he began his assisted-suicide crusade in 1990**. *Chicago Suntimes* Monday, September 30, 1996 p. 23

All I can say about this, is this man is today's pioneer for legalized serial killers everywhere. I can see Charles Manson, Sam Berkowitz, and even Jeffery Dahmer saying... *“Why didn't I think of that!?... I could still be killing people today, and be well paid for doing it also!”* It's bad enough the government of this country allowed this man to walk free for as many years as he did before receiving his 10 to 25 year prison term in 1999! And to kill so many people that could have been healed by Jesus on their death beds, had they the faith and prayed the prayer. And to make matters worse. A nationally known denomination decides to slap this insane “Doctor” on the back and say... *“Good work Jack...”*

**Pope John Paul II states that evolution is scientifically sound.**

*10-24-96 Channel 18 News and every other channel or newspaper on the planet!*

A very powerful recognized worldwide religious leader as the Pope

steps forward and to literally billions of devout Catholics proclaims that Adam and Eve are a myth and all Catholics everywhere should acknowledge that we evolved from apes! This is the most dangerous statement made to date! I see many devout Catholics everywhere looking at this Pope and wondering... “*Has he finally crossed the threshold of senility?*” And yet I still see many other millions of devout Catholics *accepting* the Pope’s statement as infallible and so **believing** that he is correct and the Bible is in error!

Did you notice how the media handled this statement by Pope John Paul II back then? Did you notice the excessive coverage it received to ensure that everyone everywhere on earth heard what this so called “*trustworthy*” religious leader said? This excessive airtime was no mistake people. The prophecy states that **many** will not endure sound doctrine and so **many** must be convinced to do so! The Pope and his media minions will do all they can to ensure their lies are proclaimed globally!

It is heart wrenching just thinking about all the poor souls out there that believe every word this Pope says. They put their faith in the flesh and the unsound doctrine of a fallible man that has the power to deceive BILLIONS!

If that wasn’t shocking enough, on December 8, 2000 this very same Pope declared to all the world that Jesus Christ is no longer needed to gain Heaven. And then on August 12, 2002 the United States Conference of Catholic Bishops repeated his lies to all the World when they declared that all Roman Catholics must now cease in their evangelistic methods aimed towards their Jewish neighbors. The entire collection of U.S. Bishops authorized the statement that Jews are guaranteed Heaven without accepting Jesus, and then publicized it in conjunction with the National Council of Synagogues for all the world to see how serious they were concerning this matter. You can verify all these facts and more on my page entitled, “**Rome says Jesus not needed**” in the Catholicism exposed section of the web site (see Index).

One more point I want to make clear regarding this prophecy is this. The Prophecy states that in these last days men will not endure sound doctrine. On my web site you will find a page titled, “*The Passion of the Antichrist,*” (see Index). On this page you will see proof that the people of this world that claim to embrace Christ as Lord are already openly showing signs of accepting unsound doctrine. Men of God in fact

claim the blasphemous film of Mel Gibson about the “Passion of the Christ” is a work of true Biblical jurisprudence. Yet the film is packed with open lies, twisted Scriptures, and Roman Catholic mysticism. See here just a few comments regarding this evil film...

“I don’t think they would be well-founded criticisms because all the material in the film comes directly from the Gospel accounts. There’s nothing in the film that doesn’t come from the Gospel accounts. So, if they’re critical of the film, they would be critical of the Gospel.”  
– *Archbishop John Foley, President, Pontifical Council for Social Communications, The Vatican*

“It is an accurate account of Jesus’ real sufferings for the sins of the whole world. This is not a film anyone should miss.”  
– *Dr. Robert Schuller, Crystal Cathedral / Hour of Power*

“The film is extremely true to the biblical narrative, to the point of using Aramaic dialogue with English subtitles.” – *Lincoln E. Steed, associate director of the Public Affairs and Religious Liberty Department of the North American Division of SDAs and editor of “Liberty” magazine.*

“We all thought it was a magnificent work. There’s really nothing like it. It’s true to the Bible. The faith we’ve all had comes alive.”  
– *Pat Robertson*

This film proves mankind has been readied for Antichrist’s arrival. People who at one time were totally against, or PROTESTING Roman Catholicism, now embrace it as truth. The New York Times Magazine on Sunday February 29, 2004 asked the provocative question “Why are evangelical Protestants embracing Mel Gibson’s ultra-Catholic version of the Savior?” I say, because they are no longer protesting. They are no longer holding to sound doctrine. They are proving their allegiance with Rome is back in full bloom just as prophecy stated it must be for the *mark of the beast* (see Index) to be enforced. If this film came out 50 years ago, not a single Protestant would feel comfortable seeing it. They would have known it to be a Roman Catholic film, just as we all know today, and that simple fact alone would have prevented their stepping into the theaters to view it.

Because of the graphic fulfillment of this prophecy, and because our religious leaders the world over have broken down and decided to ignore the Truth in God’s Word, we can easily understand why the next prophecy was imminent in its coming.

## PROPHECY NUMBER 12

### THERE WILL BE WIDE SPREAD IMMORALITY AND A DECLINE OF SPIRITUALITY

Is it any wonder? Is it unexpected? Is this not fulfilled as well? We look to our religious leaders for spiritual and moral direction, and instead we see knock kneed Men of God telling us it's ok to sin so we don't stop tithing or donating to their church. It's almost as if they are saying to themselves... "*If it's an unpopular sermon, DON'T PREACH IT!*" It seems they will only preach wealth and prosperity today mainly because that's all the American church going public wants to hear. And when you view the TV preachers, you see this is the case.

- 2 Timothy 3:1-5 "This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away."

Remember the term from the late 60's early 70's? "*If it feels good, do it!*" We have a society that is truly based on what our leaders acknowledge as being right or wrong. When our government decides that something the Bible says is sin, has now become ok, we look to our religious leaders to open their eyes to the error. But look at the issue of abortion. Our government says it's ok, our Bible says "*Thou shalt not kill.*" Where were our religious leaders when this decision to kill our babies was being discussed?

Of course, it's not only the issue of abortion. Our government is doing many things within the federal, state, and local branches that the majority of the population is unaware of. Take for example the following article that exposes something hidden from the eyes of the American people for six straight years!...

#### Six-year-old motion alleged crack, CIA tie

Los Angeles (AP) A court motion filed six years ago alleged that sheriff's deputies turned up a link between the CIA and drug

dealers in Los Angeles... However, evidence of that link **mysteriously** disappeared from the Los Angeles County Sheriff's Department...

...although the motion was publicly reported at the time, a judge placed a gag order on the case and ordered lawyers not to discuss the alleged CIA connection... the CIA funneled profits from **domestic sales of crack cocaine** to a group of Nicaraguan Contra rebels... Officers discovered... that **drug money was being used to purchase military equipment** for Central America... The deputies booked property they had seized as evidence, but **federal agents later removed it.**

Mysteriously, all records of the search, seizure and property also "**disappeared**" from the *Sheriff's Department*. *Champaign News Gazette* Sept. 29, 1996 p. A-12

Kind of makes you wonder if anything is going on now, doesn't it? And even though this is made known, do you see anyone being punished for this? Keep in mind, this surfaced in 1996! Yet, still, we have an office of the CIA still in effect in Washington D.C.! And again, it's not just the governing entities of our land. It's also the religious leaders running amuck as well. Look at the articles below and ask the same question once again... "*Where are our religious leaders?*" Is the message still "*If it feels good, do it?*" Are the preachers of today proclaiming that if it feels right it must be right?

### "Bible group gets to the naked truth"

"Living up to the Genesis verse... naked and not ashamed Christian nudists are planning a weekend retreat of hot-tubbing, karaoke, and **reading Bibles in the buff**... Jerry Love (Methodist) and his wife Carol (Baptist) have already booked 60 reservations from around the country" *Feb. 20 1996 Danville Commercial News - Ocean Isle Beach, N.C. (AP)*

"*Living up to the Genesis verse?*" What Genesis verse is this? Are we to assume these people are sinless lumps of glorious flesh walking about us on a perfect planet? Biblical fact is, Adam and Eve were naked and not ashamed true, but only *until* the day they sinned! **After** they decided to believe the LIES of the devil within the serpent, they ate the fruit of the tree God told them not to touch. That day their sin became evident, as well as their clothing! Yet these so called religious leaders would have us believe they are sinless that they see no error

in sitting naked before each other READING BIBLES?

That's what I love so much about the Word of God. It actually proves these type of lies to be just that, LIES that were spoken by the devil to people that seek answers in every place BUT the Bible. Had they sought out the truth found in His Word, they would know they're in sin and how to be saved from it.

~ Before Adam & Eve sinned ~

- *Genesis 2:25* “And they were both naked, the man and his wife, and were not ashamed.”

~ After Adam & Eve sinned ~

- *Genesis 3:6,7* “...she took of the fruit thereof, and **did eat**, and gave also unto her husband with her; and he did eat. And the eyes of them both were opened, and **they knew that they were naked**; and they sewed fig leaves together, **and made themselves aprons.**”

If these “*naked and not ashamed nudists*” truly read their Bibles a little further than chapter two of Genesis, they would see that once Adam and Eve sinned, they realized their sinful flesh. And since they were now aware they were in sin, they also realized that standing naked before a mighty God was not something the Lord would be pleased with.

### Holy nudity

**A priest gets in trouble for posing naked in support of charity.**

*By Jack Boulware -Salon News*

Jan. 17, 2001 | At the time, it sounded like a good idea to Father Olan Rynn. The project was a calendar, the sales of which would raise funds for child cancer and cerebral palsy. A young mother in Galway, Ireland, came up with the idea, based on another charity calendar in the U.K. Celebrities throughout Galway had agreed to pose for the project, including several athletes, a gynecologist and the proprietor of a bookshop. The sole stipulation was that each had to appear naked.

The 28-year-old Rynn said, “Oh sure, why not?” and had his photo taken while sitting bare-ass naked in a wing chair with legs crossed, wearing only his Roman collar, and a Bible hiding his penis.

The Bible. The WORD OF GOD is now needed to hide his WHAT? This ROMAN CATHOLIC PRIEST uses the Holy Word of God as a pornographic prop?! No respect whatsoever for the Word of God Almighty is so apparent in this Synagogue of Satan! Immorality abounds. Think of it! All those in the world that look to the Roman Catholic church as a Christian church are now making decision for other religions because this church is obviously evil to the core. They actually believe Christianity is evil simply because they believe Catholicism is Christianity! The devil really is that cunning! And does the Pope really have a problem with such activity as this? According to this next article, it appears not. In March of 1999 a Vatican released music video CD showed a man and women naked in the video.

Back in March of 1999 both CNN and Weekend News Today reported the following. This is an excerpt from BOTH identical articles...

“They showed one video Wednesday: MTV-paced, digitally doctored, rapid-fire cuts of John Paul embracing children, strolling mountains and dunes, greeting the faithful, appearing pensive, all to an orchestral background. The spirit of the video is upbeat and warm, although there’s a jarring moment in which a man and woman appear in profile - naked or near enough to count as such, for the few seconds they show. “Abba Pater” - one of the cuts on the CD as well as the title - is the Aramaic and Latin for “Father.”

NAKED? The Pope is using open Satanic methods here. He is appealing to the eyes of mankind with the lust of the flesh to gain monetary rewards! Instead of Allowing Jesus to appeal to the heart of mankind with the truth of the Spirit, the Pope allows Satan to entertain the masses with the lies of the eyes.

**“OakLawn Bed Racers a nightmare to riders”**

“The fund-raising event, sponsored by the **Catholic organization, Knights of Columbus** in OakLawn, drew participants from local bars, businesses and organizations” *Aug 11, 1994 Daily Southtown Your Town section p.1*

Imagine for a moment a man struggling desperately with the temptation of alcohol so much that he finally decides to seek the council of his parish priest. For years he has struggled with this overwhelming addiction, and finally this is the day he has mustered up enough strength to actually seek help. But, he is turned away at the church

doors because his priest is at the local gin mill getting zonked with the rest of the neighborhood in a drunken bed-racing block party through the center of town! I wonder how many troubled souls saw their church leaders at this event? I am sure they sank in their souls feeling they had nowhere to turn, but back to the bottle. And what of those that were thinking of experimenting with alcohol? They now received open permission from their Roman Catholic priests that alcohol is not only acceptable, it's fun!

**John Lennon's song "Imagine" piped in to start global UN meeting**  
Jan 1 1993 (This song depicts a world with "No God above us... ..no hell below us...")

Again... Where are our religious leaders when this WORLDWIDE GOVERNING BODY has decided to start their globally networked meeting acknowledging the drug induced statements of a rock and roll idol as the prayer of mankind? Are you aware that the Pope has a permanent seat in all United Nations meetings? Yet did you hear him protest a song that describes a world with no God or devil in it? No, the Pope never so much as smirked at the playing of this extremely blasphemous song. It is no wonder this prophecy has so easily come to light. So many are now looking at life as do the Atheist that have no reason to fear God or any punishment they may receive for a life filled with sin. Is this why it is becoming so accepted worldwide to legalize suicide?

**February 1993 –Europe**

"Euthanasia (*Doctor assisted Suicide*) legalized"

---

**Euthanasia Legal, Landmark Dutch Law Enters Force**  
**March 31, 2000**

AMSTERDAM - (Reuters) - Euthanasia became legal in the Netherlands Monday, the first country to permit mercy killing for the hopelessly ill who are desperate to die.

French Health Minister Bernard Kouchner, a trained doctor, said last year he would use the Dutch decision to press for the legalization of euthanasia in France, and has confessed to performing mercy killings himself in Vietnam and Lebanon.

Debate is also raging in Australia ~ whose Northern Territory became the first place in the world to legalize euthanasia in 1996 but saw the law overturned after nine months.

Is it also not obvious the favorite method of locking in those desperate sinners to the lake of fire? Satan has destroyed the faith of so many that they no longer look to Jesus for a death bed healing, which by the way happens a lot more than people realize. These doctors have convinced these people they have no hope at all. Not even Jesus can help them is the heralding cry. So instead of guiding them to the one and only true source of life, they direct them to a needle filled with a fatal cocktail of drugs as a way out of their sufferings. The sixth commandment has been broken so readily in this day in age in so many “legal ways” that it cannot be mistaken even by the unbelieving heathen. Everything from abortions to physician assisted suicide! And what confuses me in this article is that they state the Netherlands is the first place to legalize Euthanasia in 2000. Yet, the USA has been allowing doctors to kill their patients in Oregon since 1998 thanks to their so called “death with dignity act.” In fact, you can find tables and charts showing all the gruesome facts regarding these killings over the years. They chart everything from the amount of people killed, to the amount of doctors that would prescribe Euthanasia on the first request.

Sad thing here is, when I was doing research for this article I found a LOT of articles showing dozens of places around the world that are right now lobbying to pass laws to allow physician assisted suicides. Is this not even more evidence doctors do not take on this profession to help people? They seek the money and money alone? For it is written in the Hippocratic Oath by the so called Father of Medicine’ Greek Physician Hippocrates, “I will give no deadly medicine to any one if asked, nor suggest any such counsel.”

If doctors today were more concerned with their patients lives, instead of their patients bank accounts we would see far less of such idiocy. Perhaps someone needs to inform the doctors of today who the first advocate for “mercy killings” was according to history...

#### **1939 Nazi Germany (From “The History Place” web site)**

“In October of 1939 amid the turmoil of the outbreak of war Hitler ordered widespread “mercy killing” of the sick and disabled. Code named “Aktion T 4,” the Nazi euthanasia program to eliminate “life unworthy of life” at first focused on newborns and very young children. Midwives and doctors were required to register children up to age three who showed symptoms of mental retardation, physical

deformity, or other symptoms included on a questionnaire from the Reich Health Ministry.”

“The Nazi euthanasia program quickly expanded to include older disabled children and adults. Hitler’s decree of October, 1939, typed on his personal stationery and back dated to Sept. 1, enlarged ‘the authority of certain physicians to be designated by name in such manner that persons who, according to human judgment, are incurable can, upon a most careful diagnosis of their condition of sickness, be accorded a mercy death.’”

Still, with facts like these, is it any wonder we see a televised broadcast of Dr Jack Kevorkian killing Thomas Youk on 60 minutes? It’s just another sign of the times.

### UN law (Article 28)

### Not something nations will fall for you say?

#### Iceland bans spanking

By Peter Newell, Co-ordinator, EPOCH WORLDWIDE  
April 8, 2003

Iceland joins states offering children legal protection from all corporal punishment .

In March 2003, the Icelandic government passed a new Children’s Act which completes the process of total abolition of corporal punishment of children by making it unlawful in the home. Article 28 of the new Act states: **“It is the parents obligation to protect their child against any physical or mental violence and other degrading or humiliating behaviour”**. This is interpreted by government and by the Ombudsman for Children as explicitly prohibiting corporal punishment by parents, and is supported by provisions in the 2002 Child Protection Act which had already placed an obligation on parents “to treat their children with care and consideration”, and “to safeguard their welfare at all times”. The new law will enter into effect on November 1, 2003.

**Make special note to listen to how vague the following words are penned in this article....**

There is no legal defence available to parents who use corporal punishment, although there is a right to use physical restraint as an emergency measure when an individual is in danger of injuring himself or others. Cases of corporal punishment may come within the scope of the Child Protection Act (2002), which orders imprisonment **‘if those who have a child in their care mistreat the child mentally or physically, abuse him/her sexually or otherwise, or neglect the child mentally or physically, so that the child’s life or health is at risk’** (Article 98) and for **“any person who inflicts punishments, threats or menaces upon a child, that may be expected to harm the child physically or mentally”** (Article 99), and imprisonment or fines for **“any person who subjects a child to aggressive, abusive or indecent behaviour or hurts or insults him/her”** (Article 99).

### United Nations Rules Canada Should Ban Spanking

© 2003 WorldNetDaily.com 10-10-3

A United Nations committee has ruled Canada should bar parents from spanking their children. As a signatory of the Convention on the Rights of the Child, Canada is obligated to make periodic appearances before the U.N.’s Committee on Rights of the Child, which said the country should **“adopt legislation to remove the existing authorization of the use of ‘reasonable force’ in disciplining children,”** the National Post reported. The U.N. body says Canada should **“explicitly prohibit all forms of violence against children, however light, within the family, in schools and in other institutions where children might be placed.”**

While doing research on this, I found MANY other countries lobbying for similar laws all over the World. (You can get an ongoing update at the “Religious Tolerance” web site (see Index)). That’s right folks... more fuel for the decadent fires. Today’s society isn’t bad enough. We have to get to a point now that says to our very own children; **“That’s a no-no Johnny!”** And our children now have the legal right to say... **“Shut up Mommy and Daddy or I’ll report you!”** Again, where are our religious leaders? Is it not written in the Word of God...

- *Proverbs 13:24*, **“He that spareth his rod hateth his son: but he that loveth him chasteneth him betimes.”**
- *Proverbs 22:15* **“Foolishness is bound in the heart of a child; but the rod of correction shall drive it far from him.”**

- *Proverbs 23:13* “Withhold not correction from the child: for if thou beatest him with the rod, **he shall not die.**
- *Proverbs 23:14* “Thou shalt beat him with the rod, and **shalt deliver his soul from hell.**”

Don't get me wrong, I am not saying go out there and grab a rod and beat your child into a quivering pulp of hamburger. **No!** We all know what the word spanking means. Many of us adults know **very well** what that word means. A spanking is given in love. A loving parent will truly hold back and not permanently harm the child they love. However there are those out there that don't love their child, and so they beat them to death. This is what I think United Nations Article 28 is trying to prevent. But when you take God's perfect Law and ignore it, and try to replace it with man's imperfect law, you will always have massive problems.

Immorality is everywhere we look. It's piped into our homes almost every second with the help of the one eyed monster we formally call the television. Cartoons for children are absolutely loaded with symbols of witchcraft and half naked male and female super-hero's. The talk shows are constantly airing dirty laundry that should be kept in the gutters and sewers rather than before the eyes of prime time audiences. Even the *so-called* safe morning programs are spewing out filth like a garbage scow.

Case in point.. .On October 31, 1996 (Halloween) I witnessed the so called “safe” Today Show hold a Halloween costume contest. The winners were three homosexual men dressed as Biblical evil women! One of them even had a very lifelike head of John the Baptist on a silver platter garnished like a gourmet meal! Is this what we have come to? Is this normal behavior for a so called Christian nation? I cannot believe that people can actually toy with the Bible like it's a collection of *suggested party favors!* No one's taking anything serious any longer. People are running rampant and trying to live every second like it's their last. Hmmm, I wonder where they got that paranoia from? Also... with this live for the moment attitude, is it any wonder marriages don't last?

In the United States in 1870, there was one divorce for every **thirty four** marriages. In 1900, one divorce for every **twelve** marriages. In 1930, one divorce for every **six** marriages. From 1978 to today, one divorce for every two marriages! *Discoveries in Prophecy, A World in Turmoil* Mark A. Finley p. 7

You can literally see this prophecy fulfilled! Immorality is a fact of life now. And you can thank all the weak religious leaders of today for allowing this decadence to flourish! This prophecy has had all the ease needed to be fulfilled given unto it by those controlled by the enemy himself. All across this nation people from all walks of life are now saying yes to immorality and no to spirituality.

- 9-26-96 *House of Representatives*: **Partial Birth Abortion** voted to continue on as an accepted normal procedure for time being.

“As if regular abortion isn’t bad enough. Now the Doctors want to see the baby’s writhing and convulsing body as they kill it!

- 10-04-96 *Channel 15 News Reports...* **Moderate drinking** will help you live longer than non-drinkers.

Now all those men, women, and children that are trying their best to quit drinking, can now relax and continue to moderately drink to lengthen their lives! In fact, Medical Trivial pursuit playing cards from Christ Community Hospital, OakLawn IL. give all who seek the permission they need. I recall seeing these cards with my own eyes! One trivia question is asked, “What are the basic food groups?” The ANSWER states that, **Alcohol** is now considered one of the five basic food groups! Any person with an I.Q. of a rock would question this stupidity! BUT the drunk now has even more ammo to fend off all attacks of those nutty Christians trying to tell him alcohol is killing him.

- 10-08-96 *CNN News, Arizona & Chgo Tribune Oct. 13, 1996* Section 1. p.3 ... Thanks to **Proposition #215**, If you have a Municipal Tax Sticker on your cellophane bag of marijuana you can openly and legally smoke or sell it!

Yep, that’s right! Last I checked, pot is legal in Arizona due to some convenient loop hole in the state medical laws!

- 10-27-96 *CBN News* Four sisters ages 12 thru 24, **hanged themselves** because they didn’t have enough **money** in their dowry’s!

Is this sad or what? Can you imagine the parents finding their daughters hanging dead in their home, and then finding a note telling them they committed suicide due to the lack of the almighty dollar bill available to them? Can you imagine the horror of these parents?

- 10-14-96 *CBN News...* Mandatory seminar in a Boston Mass. High School on Sexual education. The **homework assignment** was to go home and **masturbate!**

Is it any wonder this would come from Boston? Is this a Catholic High School? The article doesn't divulge that information. But this next article does...

**NBC DATELINE 6-29-98 @ 9:00pm REPORTS:**

Roman Catholic Church / School in Ft. Lauderdale Florida expelled all the children from the family of Mr & Mrs Anderson as well as ex-communicate the Anderson's from the Roman catholic church. Why? The Andersons did not want their Church to teach their children the aspects of "**Masturbation & Homosexuality**" in their school curriculum along with other very objectionable materials.

The Andersons have tried for three years to get them to stop. They even tried holding a prayer vigil on the property of the Church. **Their Roman catholic Church had the police remove them from the property for praying.** The Andersons are actually very devout Catholics. Mr and Mrs Anderson even participated in the Mass as Eucharistic ministers. And this is how they are treated because they choose not to allow their children to be taught things that are sinful and very disgusting.

Is that amazing? This church pastor calls the police to remove a praying couple from their front lawn because their church leaders are teaching their children to engage in abominable activities! I have literally hundreds of articles that are just as shocking and disgusting as this on my RCC & SEX page (see Index) in the Catholicism Exposed section of the web site.

- 12-04-96 every News channel! ... **Judge Kevin Chang** of the Hawaii Circuit Court, legalizes **same sex marriages!**

That's right. This happened long before the San Francisco fiasco, or the Canadian Bill that was passed legalizing same sex marriages, and jailed Christians that spoke against Homosexuals, for up to 5 years. But since the Roman Catholic church wasn't involved in a major child molestation scandal at the time, the Vatican allowed for this event to slip by unnoticed. But once the scandal hit, Rome made sure MANY people came forward embracing the homosexual lifestyle so as to keep it before the eyes of the world. They needed to get the people

used to the filth so that their own filth didn't look as bad. In essence, they did this to cause the lawsuits to not only go down in number, but dollar amount as well. I cover a LOT of evidence supporting that fact in my *March 2004 Truth Provided Newsletter* (see Index) on the web site. To be honest with you, I'm truly surprised it took so long for this to happen. Jesus said it will be like the days of Sodom and Gomorrah when He returns. And so it is! All one needs do now is look around. This is OUR SOCIETY!

- *2 Timothy 3:1-5* “This know also, that in the last days **perilous times shall come**. For men shall be *lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away.*”

**Now read your newspapers**, it's that easy today to see this prophecy fulfilled! JESUS SAID IN... Matthew 24:37 “*But as the days of Noe [Noah] were, so shall also the coming of the Son of man be.*”

AND HOW WAS NOAH'S DAY?

- Genesis 6:5 “And God saw that the wickedness of man was great in the earth, and that **every imagination of the thoughts of his heart was only evil continually.**”

Sounds like today's world to me! It's actually hard to find a “true” Christian today. Minister Joe Wright put it very plainly in his starting prayer before the Kansas Senate...

When Minister Joe Wright was asked to open the new session of the Kansas Senate, everyone was expecting the usual generalities, but this is what they heard:

“Heavenly Father, we come before you today to ask Your forgiveness and to seek Your direction and guidance. We know Your Word says, “Woe to those who call evil good” but that is exactly what we have done. We have lost our spiritual equilibrium and reversed our values. We confess that. We have ridiculed the absolute truth of Your Word and called it Pluralism; We have worshiped other gods and called it multiculturalism; We have endorsed perversion and called it alternative lifestyle; We have exploited the poor and called it the lottery;

We have rewarded laziness and called it welfare; We have killed our unborn and called it choice; We have shot abortionists and called it justifiable; We have neglected to discipline our children and called it building self-esteem; We have abused power and called it politics; We have coveted our neighbor's possessions and called it ambition; We have polluted the air with profanity and pornography and called it freedom of expression; We have ridiculed the time-honored values of our forefathers and called it enlightenment.

Search us, Oh, God, and know our hearts today; cleanse us from every sin and set us free. Guide and bless these men and women who have been sent to direct us to the center of Your will, we ask it in the name of Your Son, the living Saviour, Jesus Christ. Amen”

---

The response was immediate. A number of legislators walked out during the prayer in protest. In 6 short weeks, there were logged more than 5,000 phone calls with only 47 of those calls responding negatively. The church is now receiving international requests for copies of this prayer from India, Africa, and Korea. Commentator Paul Harvey aired this prayer on the radio and received a larger response to this program than any other he has ever aired. With the Lord's help, may this prayer sweep over our nation and wholeheartedly become our desire so that we again can be called one nation under God.

- *Romans 13:1*, “Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God.”

According to the Word of God, these men and women in our government, on both the federal and local level, HAVE BEEN CREATED TO BE OUR LEADERS! So, we must ALL pray for them. They have been ordained by our God to stand in the positions they stand in. Pray that they have the wisdom to do exactly as they have been created to do. And remember, some WILL continue to do evil, just as sure as some will continue to do good. As we all know, there have already been laws enacted that go directly against the will of the Creator God. Many of them were mentioned in that prayer. As Christians we are aware that even though our government says it is “ok” to kill a baby, or it’s “ok” to drink alcohol, we must not allow the “laws of the land” to undermine, or go against, the Law of our God.

So, remember, even though our government may say it is “ok” to sin, we know better simply because we have the Creator’s Word on it. And as Christians, we must not allow the legalization of sin to draw us away from our Creator. Stand firm in the Lord, and stand firm as an American. However, when the laws of the land go against the Law of the Lord. Remember. “*For the leaders of this people cause them to err; and they that are led of them are destroyed.*”- Isaiah 9:16 So to be on the safe and eternally blessed side, always remember “*...We ought to obey God rather than men.*” -Acts 5:29

# PROPHECY NUMBER 13

## IN THE LAST DAYS THERE WILL BE A CRAZE FOR PLEASURE

- 2 Timothy 3:1-4 “...in the last days... men shall be... **lovers of pleasures** more than lovers of God.”

Yes, another easy prophecy to see fulfilled. The world has literally gone crazy for pleasure today! A comparably small portion of people the world over attend church every week. But if you look at the resorts or casinos you will see the worlds new choice for their attendance dedication. Resorts and casinos are jammed pack to the gills every single day of the week across the globe ESPECIALLY weekends. Mankind truly has degenerated to becoming “*lovers of pleasures more than lovers of God*”

Ask any grandparent, or read a history book about the worldwide love affair between God and His people of the not so distant past. Almost every nation on Earth was in church at least one day a week back a few years ago. Today, it’s a far-far smaller number. Plus most people were Bible readers. But today, it’s not a common site. Why is this? Besides the fact that prophecy predicted it, one can see a bevy of methods the devil used to bring it about. For example, look at the Bible itself. It used to be the most exciting book to read. The stories were awesome displays of Truth and wonder. The Christian mind was allowed to be brought into an area the Lord planned. But with the arrival of Hollywood and their special effects. Stories have become mind boggling displays of special effects, slow motion, and heart wrenching plots. After years of watching this “eye candy” the mind becomes so conditioned, that it craves the wondrous displays of technology melded with story telling to keep it’s attention. This way, when the person is introduced to God’s Word, it not only becomes hard to comprehend, it also appears boring to them. It used to be the Bible was the most exciting book on earth.

I recall when I was a toddler everyone I knew was in church each week. Now, almost everyone I meet avoids it like the plague. And those that do attend church, only do so where the churches provide loud music, skits, and preachers that proclaim the Word in a very entertaining manner. This is why you see HUGE churches popping

up all over the nation with congregations of 3000 to 5000! The people attend because it's easy to do so. It's not like they're going to church, it's more like a Broadway show. Just like Hollywood has been able to make the exciting stories in the Word seem boring, these ordained "entertainers" make REAL worship appear boring, somber, tedious, and grievous. Of course this doesn't work on ALL of people of the World. Truth is, the Elect can NOT be deceived!

Billions of dollars are spent every year on methods to entertain us, but much less in comparison is given to God in the form of tithing and love offerings. I remember as a child a certain thrill placing a coin in the collection basket that came by. Today I see the same thrill filled eyes in a child dropping a coin in the demonically decorated video games in the arcades of our shopping malls. This prophecy can also be easily considered fulfilled merely by the billions of hours pleasure hungry people spend behind their television sets every week. I don't even want to get into the negative aspects of what some people consider pleasure. But we all know it's a triple X fact of today's world. There are sections of downtown Chicago that you can't walk down without having a triple X salesman trying to coax you into his theater. Most people I talk with tell me they don't even need to walk in the theaters, the posters in the windows are quite sufficient to generate the satisfactory sinful sensations in the hearts of some.

And then you have the other aspect of crazed pleasure addiction. No I am not talking about the ever present drug problem we all know about all too well. I am talking about what lengths some people will actually go to satisfy their every whim.

### Dad pushes child at train for wife

CAIRO, Egypt (AP) - A 7 year-old boy emerged from a coma Saturday after he lost **both legs** when **his father pushed him under a moving train to please his second wife**, police said. Omar Mohei Eddin survived when a passersby rushed him to a hospital late Friday. His father, Ibrahim Mohei Eddin, 40, had abandoned him thinking he was dead, police said. Police quoted the elder Mohei Eddin, who divorced Omar's mother and remarried, as saying his 23-year-old second wife could not live with the son. *Champaign News Gazette* Sept. 29, 1996 p. A-12

Can you imagine being that crazed for pleasure that you would kill? To be that crazed that you would actually try to kill your very own son

to guarantee your pleasure will not be taken from you. This cannot be explained in any other way than to say... the man was possessed, **period!**

As we see here, with the craze for pleasure comes the craze for violence. We see it every day, a weekend of partying, drinking, drugging, leads to some form of violence. The media is ablaze with this type of lifestyle. How often do we read about a crime being committed after a person awoke from an afternoon nap, or a good nights sleep. No, hardly ever if at all. What we hear about in the news broadcasts is a night or a weekend of pleasure filled utopia that leads up to the crime. This violence is prophetic fulfillment. And we can see very plainly in this next prophecy.

# PROPHECY NUMBER 14

## NO REGARD FOR LAW, BLOODY CRIMES AND VIOLENCE WILL INCREASE

- *Matthew 24:12* “And because **iniquity shall abound...** “
- *2 Timothy 3:13* “...**evil men** and seducers shall wax **worse and worse....** “
- *Ezekiel 7:23* “...the land is full of **bloody crimes**, and the **city is full of violence.**”

I'm sure that even non-believing scoffer can see this prophecy fulfilled, even if they live in seemingly safe Suburbia USA. Nowhere seems to be safe, big city, little city, makes no difference anymore. Crime and violence is everywhere. Absolutely every country across this planet has been witness to the skyrocketing statistics of the rising crime rate. It's almost as if every demon has been let out of its cage to romp and frolic at it's leisure. Crime respects no person nor nation. The most powerful and most advanced nation on earth, the USA, also happens to be the most violent. We lead the world in absolutely every crime known to man! The police that protect and serve the public of this great nation won't even respond to a 911 call after dark in some areas of Chicago and other big cities! I know this for a fact. I used to street preach in those areas. Think of it, because the crime rate is so high we can't even look to our own police force to help us in times of dire need. Does this lend itself to distress perplexity and fear as we discussed earlier in prophecy # 3? Yes, I am afraid it does. Violent crime is not limited to the boundaries of big cities. The following article is about a crime that happened in a well to do south suburb of Chicago. In fact, I lived in the small town that bordered this town just outside the South Side of Chicago.

### DAUGHTER TESTIFIES SLAIN MOTHER BEGGED FOR LIFE

...Kelly Doyle testified she was awakened by a loud noise, which prosecutors believe was Sheila Doyle's car lurching forward and striking a red children's wagon that struck the garage wall, as Tyler (her killer) struggled to get her out of the car that night... She heard her mother say “*Please don't hurt me,*” She got up and walked into the family's living room and **again** heard her mother say “*Please don't hurt*

me,” and then heard a car door slam... “I heard the man say in an ordering sound... something about a car,” Kelly Doyle said. “I heard my mother scream. I heard a big bang.” Prosecutors said the second slamming door was the sound of Tyler closing the car’s trunk on Doyle, whom he allegedly forced into the trunk and ordered to remain quiet, but shot her in the head after she screamed. Kelly Doyle said she “**went back to her room, put her headset back on and lay down**”. A short time later, she again got up and found her father, William Doyle, on the telephone with police, reporting that his wife was missing. William Doyle, another daughter and a son also had been asleep. -*Daily Southtown August 10, 1991 p. A3*

The fact that this woman was violently murdered is bad enough. But did you notice the lack of interest in the woman’s daughter? This young girl hears her mother obviously being attacked, but she doesn’t bother to awaken the family. She hears her mother plead for mercy TWICE, yet, she doesn’t even tell her father what she just heard. And after she obviously hears her mother scream and then a gunshot rings out, what does she do? She puts on her headset, tunes to her favorite music, and lays down. All while the last drops of her mothers life’s blood spills into the lining of the trunk of the family car!

This brings to mind yet another prophecy of our Lord in *Matthew 24:12* where it is proclaimed that, “iniquity shall abound, **the love of many shall wax cold.**” Did you also notice the reporter of the newspaper didn’t notice the lack of concern on behalf of the daughter, he just reported it as normal as he could!

Last year Bogota reported an average of four cases of poisoning by **burundanga**, a drug with side-effects that include **hallucinations, memory loss, and loss of will.** Criminals find it ideal for their purposes. They can get a victim to do their bidding, then they can rest easy knowing the victim will remember nothing. In one instance, a couple under the influence of burundanga spent the evening withdrawing money from cash machines and handing it over to thieves. In other cases, victims have been raped, kidnapped, used as drug couriers--yet they remembered nothing once the drug wore off. The name *burundanga* actually refers to either of two drugs--*scopolamine* or *benzodiazpine*. The drugs act directly on the central nervous system, blocking neurotransmission and preventing memorization. “The effect of the drug on the brain is comparable to that of a power

cut on a computer.” It leaves the victim “**totally suggestible**” but fully awake and calm. Burundanga is administered orally, in powder form, and is soluble, odorless, and tasteless. **This makes it perfect** for criminal use. The only protection is to watch what you eat or drink. “*Losing their minds in Bogota*” -Anne Proenza *World Press Review*, Oct 1994 (Vol 41. No 10). pp. 20,21 *Topic Columbia*

How can anyone defend themselves against such attacks as this? You truly have no clue what can happen next. I am positive that couple had absolutely no idea what was going to happen to them that night. I wonder what new methods of attack are being toyed with now that make everyone of us pawns in the hands of those with evil desires. Still, even today, there are those people that proclaim with false confidence... “*I’ll take my chances, I don’t need God. I can take care of myself!*” Oh yea? Unless you are a full blooded Christian you are **totally, absolutely, without a doubt, completely ALONE!** I can truly say, If you are not a Christian, you are simply asking for trouble! It is a cold dangerous world out there and ...”*your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:*” [1 Peter 5:8] No one is safe now. We all need the protection of a mighty God. Even the apostle Paul, as he placed sticks on a fire, fell victim to a very unexpected attack as well. However, because he trusted in the Almighty and ever living God, he had no ill effects whatsoever.

- Acts 28:3-6 “And when Paul had gathered a bundle of sticks, and laid them on the fire, there came a **viper** out of the heat, and **fastened on his hand**. And ... the barbarians saw the **venomous beast hang on his hand**, ... And he shook off the beast into the fire, and **felt no harm**. Howbeit they looked when he should have swollen, or fallen down dead suddenly: but **after they had looked a great while, and saw no harm come to him...** “
- Mark 16:18 “They shall **take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover.**”

Don’t get me wrong... I am not saying to run out and grab the first serpent you see or gulp down a glass of hemlock! Many people do actually take this verse out of context with some very deadly results. In Georgia for example, there are many that dance around with serpents because of this verse. However, many have been severely scarred, and some have been killed as a result. The verse is not

saying to jump off a tall building and pray on your way down... “*Lord I have 50, 40, 30, 20 feet to go, please save me!*” I’m sorry to say that odds are, the only thing that will break your fall, **is the pavement!** The Bible states very plainly “...*Thou shalt not tempt the Lord thy God.*” [Matthew 4:7]

It’s not just adults doing these gut wrenching crimes. Our children everywhere have grown more and more violent. This proves a deadly cancer has spread throughout society when the children themselves are affected. It is indeed a sad thing when the children are committing crimes that were only seen in the adults in days past. Is it unexpected? It shouldn’t be. We have been teaching our children almost every waking moment how to become more and more violent and immoral. So why should we be upset when they become violently inclined from a video game, a movie, a book, or a cartoon they watch. Our children are subjected to every form of decadence available in their own schools as well. Most parents in the Midwest are familiar with a book club available to the children via the local government school system. I speak of the **Troll Student book club** of course. Not all parents feel threatened by this book club mainly because they trust their local schools not to subject their loved ones to such filth. However, many parents have peeked into the *Troll Book Club* to find out some pretty shocking facts. Below are some book titles that the school feels is appropriate for your children to read, due to this book club.

- “*Love and Secrets of Hampstead High*”
- “*Party with the Adams Family*”
- The haunting tale of “*The Black Pearl*”
- Beverly Hills 90210 “*Fantasies*”
- “*Love & Friendship Duo*” -Romance Tips for 9th Graders
- Fear Street “*Cheerleaders, the Second evil*”
- “*The Ghost in the Bell Tower*”
- “*Wayne’s World*” Poster Folders”
- “*Witches of Worm*”
- “*Witch of Blackbird Pond*”
- “*Strange Stories of the Supernatural*”
- Fear Street “*The First Evil*”
- “*Love and Lies at Merivale Mall*”
- “*Night of Terror*” Classic Library

When you look at this list of decadent literature, your wonderment ceases. It's easy to see why our children are running amuck. They have been lured since birth with absolutely every fun-loving, attractive, enticing, stimulating, exciting evil gratuity known to man. Just recently I discovered among many other awful things that the School system is now allowing children to have books that teach homosexual marriage is acceptable!

Parents outraged over story where prince finds love with another prince

A North Carolina couple is outraged by a book their **first-grade daughter** brought home from the school library in which a prince finds his true love – in the form of **another prince**. The leading character in “King & King,” Prince Bertie, waves off a bevy of eligible princes before falling for Prince Lee, Associated Press reported. The book ends with the two “**marrying**” and **sharing a kiss**.

“I was flabbergasted,” Michael Hartsell of Wilmington, N.C., told the news service. “My child is not old enough to understand something like that, especially when it is not in our beliefs.”

AP reports the 32-page book by Linda De Haan and Stern Nijland was published in March 2002 by Tricycle Press, the children’s division of Ten Speed Press of Berkeley, Calif. A follow-up, “King & King & Family,” was recently published. **The publisher says the book is intended for readers age 6 and up.**

**The principal of Freeman Elementary School defended the book.**

“What might be inappropriate for one family, in another family is a totally acceptable thing,” Principal Elizabeth Miars is quoted as saying. Hartsell and his wife, Tonya, said they intend to file a written complaint with the committee that reviews library books for the district and are considering transferring their daughter.

The teachers today are teaching everything from Evolution, to same sex marriages, and the religious leaders of this nation are STILL sitting idly by! As of updating this book I have over 350 articles stored in my computer that expose the schools system of the USA to be nothing short of a cesspool of hellish perversions. Keep in mind I haven't been looking for this stuff right off. It's just that when I do my regular research, I sometimes happen across an article or two about the public school system that is so outrageous that I store it on my system for later use. Can you imagine how much putrid filth you can find if you took the time to actually sit down and dig deep for about a week looking for it? It's truly amazing how evil the public schools have become. To be honest with you, someone needs to create a web site doing just that! If your interested, I have over 350 articles to get you started right now! Perhaps a home schooling advocate organization can use this research. If so, contact me (see Index) as soon as possible.

Our children have no choice but to live what they are being taught as an acceptable lifestyle. Satan understand the jurisprudence of Proverbs 22:6 and he will use it to his advantage! He will "train up the child" in an evil manner so that when he is old he will do as Satan suggests. It's no wonder this book is in the schools now. The gay marriages hoopla seems to be loosing ground, so they no doubt figure they can breed a new crop of supporters by getting them young.

All this evil, all this decadence, all this violence is taking it's toll on our children. They simply can't handle it, and when they do act out we are powerless to stop them. Thanks to *Article 28 of the U.N.*, when our children do get out of hand, as we can expect them to thanks to all this garbage being pumped into them. The United Nations seeks to prevent us by law from disciplining them to stop the madness.

I am deeply affected whenever I think of that cute little 11 year old boy that was gunned down by his "friends" because he mistakenly shot and *killed* the wrong person back in 1994. His mistake caused such a stink for his "homeys" that they had to kill him. Of course I speak of 11 year old Robert "Yummy" Sandifer whose picture appeared on the cover of Time magazine the week of September 19, 1994. Did you notice how much the media played to the hearts of America with stories about Yummy? What about the young 14 year old girl he shot and killed instead of the gang member he was aiming at? This 11 year old made it to the cover of Time Magazine! Time Magazine actually

dedicated the entire issue to “Yummy” and kids like him! The magazine had pictures of Yummy’s Grandmother, Mother, Brothers, Sisters... But what about the 14 year old little girl? Yummy became a national figure, it’s almost as if he was made an Icon representing the youth of America! But the little innocent 14 year old girl was given a grave for her troubles. I wonder how many kids out there romanticized about being Yummy on the cover of Time that week? Is it any wonder we have so many children into violent crime when you have magazines like “Time” that make the Yummy’s out there look so attractive? I wonder if any of those children realized just what he did? He killed a 14 year old girl instead of a fellow gang member! He was trying to receive “*points*” that would lead to a higher “*rank*” within the gang. Her name was, ...Shavon Dean.

Shavon Dean

*U.S. News and World Report* focuses on “Kids who Kill,” saying there’s so much violence on television that even kids with guns become extremely dangerous. **Disputes once settled with fists between kids are now settled with guns.** Every 100 hours more youth die on the streets than were killed in the Persian Gulf Warfare”

Manuel Sanchez and John Duncan, **both 12, were arrested last month for the murder** of a migrant worker in Wenatchee, Washington. Police say **the boys shot the man**, a transient, after he threw rocks at them for firing guns too close to him. *Time Magazine* art. “When Kids go Bad” 9/19/94 p. 62

Tried as an adult in Bath, New York, Eric Smith, **14, was found guilty last month of murder for bludgeoning and strangling a preschooler.** *Time Magazine* art. “When Kids go Bad” 9/19/94 p. 63

Think of this, these are those kids that were “unfortunate” enough to be caught. But what of those hundreds, thousands, or even millions that haven’t been caught. What about the ones that have grown to adulthood? Do you know of a killer living near you? Odds are you don’t, and odds are there is one nearby.

What of the bloody crimes mentioned by Ezekiel? Without getting too gruesome. I would like to remind you of Charles Manson, Jim Jones, Jeffrey Dahmer, The Night Stalker...etc The list grows longer everyday. Today's society is literally riddled with serial killers of all types. Satanism is running rampant in all our cities big or small. Crimes of this magnitude were far and few between just 25 years ago. Today, they are common place. In fact, thanks to the media, they have become so common place that our young adults have grown fascinated by their murderous lifestyle. They have actually looked to these killers as role models!

Police searching for a stolen Virgin Mary statue in McMinnville, Tenn., found it amid a **shrine to serial killers Charles Manson, Jeffrey Dahmer, Ted Bundy** and "Son of Sam" **David Berkowitz** at the home of **two teenage boys**. Inside a garage converted into a bedroom, officers said they found a makeshift altar with occult items and photos of the killers. -*Southtown Economist Jan. 1, 1995 Section Back Page p. D-10*

I don't believe I need to read you the daily newspaper to prove this prophecy fulfilled. We all see it happening all around us every single day of the week! This prophecy is indeed fulfilled without the slightest effort from me or any other preacher having to prove it with facts or figures. **Just watch the news.**

### THE BIBLE SAYS

- *Luke 21:26* "Men's hearts failing them for fear, and for looking after those things which are coming on the earth..."

### AND MANKIND ACKNOWLEDGES THIS PROPHECY FULFILLED IN THE HEADLINES. . .

U.S. News and World Report says... "*Fear stalks our streets.*"

# PROPHECY NUMBER 15

## EARTHQUAKES, STORMS, PESTILENCES AND FAMINES SHALL INCREASE

- *Luke 21:11* “And **great earthquakes** shall be in divers places, and **famines**, and **pestilences**; and **fearful sights** and great signs shall there be from heaven.”

Earthquakes, famines, disease, fearful sights. Does this sound like our world today? Lets look at the “*Famines*” mentioned in this prophecy first. Were you aware that one third of the people on this troubled planet are extremely hungry at this very moment. Were you also aware that thousands die of starvation across the globe each and every day! ALL the TV stations at one time or another are airing commercials of people asking for money to help feed the starving millions around the world. I understand we always had the hungry, but to this degree? NEVER!

In Ethiopia upwards of **4.5 million people**, more than four times the number wiped out by the great famine of 1984–85, may starve this year if food relief is not provided-and soon. In Sudan, where as many as **a quarter of a million people died of hunger in 1987–88**, the most dire estimates suggest that **3 million** could suffer the same fate by the middle of this decade. Once again the world may see those sickening images: skeletal children too weak to swat away the flies that swarm around their eyes; old people slumped against herding sticks, too weary to take another step. -*TIME Jan. 22, 1990 art. AFRICA Death by Starvation*

...at least **6 million people live at the brink of starvation**. Relief workers expect that almost **a million Ethiopians may die this year** alone in what could become “the worst human disaster in recent history.” After ten years of drought and civil war, twelve of the country’s 14 provinces have been laid waste by a **famine of biblical proportions**. More than **40% of the country’s 42 million people are malnourished**, and **2.2 million** have left their homes to wander **in search of food**. -*TIME Nov. 26, 1984 art. ETHIOPIA The Land of the Dead*

Every day we wake up reading about the millions upon millions starving all over this world of ours, and sadly most of us reading don’t even realize this was prophesied by our Lord to occur just before His

glorious return. Yet, what about the disease or pestilences the prophecy also proclaims as evidence of Jesus' return? The actual amount of pestilence running rampant upon this earth is so immense that I truly doubt that I could explain it accurately. Science has already attributed a large portion of the diseases due to the strange conditions of our planets ecology. Everything from the diminished magnetic forces, to the overwhelming amount of solar radiation bombarding the planet thanks to the weakened Ozone layers.

Disease and pestilence is an all too common occurrence upon our widely polluted planet. This day by day reality has become a fact of life for this generation that none would question. We have disease in our oceans, lakes and rivers. We poison our neighborhoods with disease laden toxic landfills. Daily, we breath a highly concentrated death into our lungs in the big cities. We actually test chemical and nuclear bombs that dissipate and spread all sorts of death into our atmosphere. Our children have become walking time bombs of disease mainly due to Sexually transmitted diseases, drugs and chemically laden and genetically engineered fast foods. And then we have the ever popular, AIDS crisis. This particular disease is one of great controversy. It is a disease that is circling the globe in quite the hurry. However, try to get an accurate figure from the media as to the amount of HIV infected people walking about now-a-days. The media, as always feels it is their duty to Misinform the public to prevent panic. All this truly does is create a naive population thinking it's not as bad as it seems, and then the problem mushrooms to un-recordable numbers by those that decide to take a chance with their very lives. And then you see as we see now. AIDS is running rampant in Biblical proportions.

If they would listen, there is a question I would like to ask the media. Why do they constantly push the "safe sex" propaganda to our nations youth? If it's so safe, why don't they push the same methods on smoking, or drinking? Do we ever see safe-smoking? Or safe-drinking ads? We do see ads telling us to **Quit** Smoking, or **Quit** Drinking. But when it comes to sinful pre-marital fornication, or extra-marital adultery the media says try **Safe Sex!** Science has proven time and time again that there is no such thing as safe sex. But getting the media to believe that is truly impossible. They prefer to believe scientist's only

when it's convenient for them. Like when the scientists blaspheme and say there is no God, or the Pope shouts evolution is sound, the media eats that up. But if science tells them their sinful choices is actually killing them, they blow that off. I am afraid that, this *Condom nation is headed for Condemnation!*

“When we talk about the nature of man, we are standing on ground that has been preempted by Christianity. On this ground, science and Christianity now meet face to face. With one voice they declare that the **future is precarious**, and with one voice they declare that it is precarious **because of man**. Christianity puts its finger upon that in man's nature which science now gravely fears may cause his destruction and the destruction of the earth with him. Science and Christianity are now looking at the same thing in man. Science has no word for it, but Christianity has. That word is **sin**...

Sin, says Christianity, is inherent in man's nature. Unless something is done to destroy the power of sin in the heart of man, his existence in a scientific world will always remain under the shadow of **imminent self-destruction**.” -Charles Clayton Morrison in *The Christian Century*, March 13, 1946, pp. 330-332.

Cancer has always been a definite killer in many forms in the 20th century. But lately in the close of the century as well as the end of the days, comes new killers. Of course AIDS is the one that reared its ugly head in the Autumn of 1979. But were you aware of the flesh eating viruses called EBOLA. A disease that is just as deadly as any other, and just as incurable. The actual list of new diseases in this century alone are astronomical to say the least. Many are not as popular or wide spread as some, but they are sadly, just as deadly. It is truly a grim fact looking back at the different forms of pestilence we have witnessed in these last days. This prophecy is **indeed** fulfilled.

Now what of the “*Earthquakes*” shaking our cities and towns across the globe? Some say “*We've always had earthquakes.*” This is true... But were you aware that we only had 21 major quakes in the history of the world before the 1900's that killed more than 10,000 people at a time. The historic facts are as follows...

Year	Date	Location	Deaths
526	May 20	Syria, Antioch	250,000
856		Greece, Corinth	45,000
1057		China, Chihli	25,000
1268		Asia Minor, Cilicia	60,000
1290	Sept 27	China, Chihli	100,000
1293	May 20	Japan, Kamakura	30,000
1531	Jan 26	Portugal, Lisbon	30,000
1556	Jan 24	China, Shaanxi	830,000
1667	Nov	Caucasia, Shemaka	80,000
1693	Jan 11	Italy, Catania	60,000
1730	Dec 30	Japan, Hokkaido	137,000
1737	Oct 11	India, Calcutta	300,000
1755	June 7	Northern Persia	40,000
1755	Nov1	Portugal, Lisbon	60,000
1783	Feb 4	Italy, Calabria	30,000
1797	Feb 4	Equador, Quito	41,000
1822	Sept 5	Asia Minor, Aleppo	22,000
1828	Dec 28	Japan, Echigo	30,000
1868	Aug 13-15	Peru and Equador	40,000
1875	May 16	Venzuela, Columbia	16,000
1896	June 15	Japan, sea wave	27,120

- *Luke 21:11* states, “...great earthquakes shall be in divers places.”

...What I found was quite interesting.

Notice the above chart. It shows that we had 21 Major earthquakes in 1370 years previous to the 20th Century. That’s an average of **0.02 earthquakes per year** that have killed more than 10,000 men woman and children. However, since the turn of the century, and commencement of the end times, we have had unbelievable amounts of quakes occurring. Now notice this next chart.

Year	Date	Location	Deaths
1906	Aug 16	Chile, Valparasio	20,000
1908	Dec 28	Italy, Messina	83,000
1915	Jan 13	Italy, Avezzano	29,980
1920	Dec 16	China, Gansu	100,000
1923	Sept 1	Japan, Yokohama	200,000
1927	May 22	China, Nan-Shan	200,000
1932	Dec 26	China, Gansu	70,000
1934	Jan 15	India, Bihar-Nepal	10,700
1935	May 31	India, Quetta	50,000
1939	Jan 24	Chile, Chillan	28,000
1939	Dec 26	Turkey, Erzincan	30,000
1960	Feb 29	Morocco, Agadir	12,000
1962	Sept 1	Northwestern Iran	12,230
1968	Aug 31	Northeastern Iran	12,000
1970	Jan 5	China, Yunnan Prov.	10,000
1970	May 31	Northern Peru	66,794
1976	Feb 4	Guatemala	22,778
1976	July 28	China, Tangshan	242,000
1978	Sept 16	Northeastern Iran	25,000
1988	Dec 7	NW Armenia	55,000+
1990	June 21	Northwestern Iran	40,000+

Did you notice that? Again we see 21 earthquakes, however these 21 quakes didn't occur over the course of many hundreds of years. NO, they occurred in just **84 years!** (1906 - 1990) That's an average of **0.4 earthquakes per year** that have killed more than 10,000 men, women, and children! That's **200 times more** earthquakes in 84 years than in all of the recorded **1370** previous years of quakes! The record books don't lie! I actually deleted over 35 quakes from the years 1906 and on, because they were *under* 10,000 deaths each! Many were over 1,000 2,000 and even 6,000 people dead! The Lord is not to be taken lightly. The prophecy stated the earthquakes would increase in these last days, and as we see so evidently... **they have!**

In the last 90 years there have been over one million and a half fatalities from earthquakes alone. *Discoveries in Prophecy A World in Turmoil* Mark A. Finley p. 5

We are **now** experiencing over **6000 quakes** per year worldwide of varying degrees of size, and just recently, this total was greatly enhanced in just **three days!**

**4000 Earthquakes** of all sizes reported in Tokyo in **past 3 days.** -CBN News 10/18/96

4000 quakes in just three days! Sure, most of the quakes were small, but the fact of the matter remains. Jesus said the earthquakes would increase in the very last days, and we would literally have to be blind as bats to miss such evidence as this. In fact, just the last eleven years (as of March 2010) we have seen a REAL increase in quakes. Notice the article below...

### **Why So Many Earthquakes This Decade?**

By *Rycharde Manne* (see Index) | February 28th 2010 12:04 PM

While Haiti is still sorting out the chaos from its January earthquake, the Earth suffers another massive quake in Chile. At a magnitude of 8.8 on the Richter scale this is one of the most powerful earthquakes ever recorded. Concerns about a tsunami spreading across the Pacific have abated and the Chilean authorities claim they have the resources to handle the catastrophe. Why are we having so many earthquakes recently? Is it just that the media likes to report dramatic and tragic events, or has there been a quantitative increase? The graph below (Figure 1) tells a worrying story.

The graph is compiled from data from the US Geological Survey (USGS), which monitors earthquakes throughout the globe. The data goes back over 100 years and looks as if this was compiled in 2007 or 2008. The URL which it points to has *worldwide data on earthquakes* (see Index) but no longer has a graphical representation. Perhaps the graph is so alarming the USGS decided not to show data in this way. Just to fill in the recent data: 2008 saw 35 earthquakes of magnitude 6 and over; and 2009 saw a record-breaking 52, taking it way off the above scale - you can go count them yourself!

This alarming increase seems to have started in 1999. The conspiracy theorists have been all over this like a rash and numerous fingers are pointing to HAARP technology. There is increasing evidence that HAARP technology can alter the weather, but can it cause earthquakes? Even the official literature states that starting in 1996 HAARP tested its capabilities for geological mapping using ELF waves by modulating the ambient current in the ionosphere using HF radio waves. The official HAARP web site has some interesting *simulations* (see Index) of the fields created in the Earth's ionosphere-

magnetosphere. Weather modification is another hornet's nest so I'd like to keep this to earthquakes.

However, this isn't a conspiracy web site, so are there any scientists in this field who can explain this huge spike in earthquakes? An artefact of more measuring stations, surely not?

Update: we seem to have some answers! The graph below is an artefact of selective data. As some readers don't go through all the comments, there is a link to the *relevant comment* and a *new graph* (see Index).

*Article source* (see Index)

Notice of course the increase in earthquakes, but also notice how the scientists seek to explain this all away as they have in so many other prophetic fulfillments recently. By the way, their desire to hide the truth about such things was also *prophesied* (see Index).

## PROPHECY NUMBER 16

### THE GOSPEL IS TO BE PREACHED WORLD WIDE IN THE VERY END

- *Matthew 24:14* “And this gospel of the kingdom **shall be preached in all the world** for a witness unto all nations; and **then shall the end come.**”

This is another prophecy that has been fulfilled right before the eyes of many dedicated Christians the world over. Have you ever searched for a pair of glasses all over your home, only to find them at the end of your nose? Or have you ever thoroughly ransacked a desk only to find the item right before your eyes the whole time? This next prophecy is a lot like that. This is a prophecy that is actually being fulfilled right before our very eyes, and most of us miss it.

What a glorious and magnificent prophecy is this one. To think that every nation will at one time hear the Gospel of Jesus Christ! What an act of love by our Heavenly Father! God Almighty is holding back the final terrifying seven last plagues to make sure His children hear His Gospel truth so as to become ready and willing when He and His Son return to take us home!

“As never before it is possible to **acquaint men the world around with the Gospel**. The many means of communication -the radio and the airplane, added to the seemingly more prosaic contributions of earlier days, the printed page, the railway, the steamship, and the automobile- makes physically feasible the reaching of all men. Christian communities in almost every land and among almost every tribe and nation provide, **as never before**, nuclei for the spread of the faith. The disintegration of cultures carries with it in many lands **the lessening of resistance to the Gospel.**”  
-KENNETH SCOTT LATOURETTE, *The Christian Outlook* (New York: Harper and Brothers, 1948), pp. 200, 201

Please keep in mind that this excerpt was taken from a publication in they year 1948. The possibilities of world wide evangelism were indeed a basic fact. However, looking forward 56 years to the year 2004, we see what was once considered a mighty task, yet possible none the less, is now performed with such ease and finality that it **boggles the mind!**

Think of it!... Satellites transmit the Gospel to veritably billions of televisions every day from one side of the planet to the other. Radio waves carry the message of Jesus worldwide instantly with more density than ever before in the history of radio. The Bible itself has been the number one best seller for as long as they have kept track of the sale of books. Preachers from all walks of life are preaching the gospel from the darkest regions of Africa to the lofty Alps of Switzerland. Christians worldwide have all along been sharing the good news to family, friends, coworkers, and strangers at work or at play. These same Christians have been handing out Tracts, Booklets, Pocket Bibles, Commentaries, Printed Sermons, Newsletters, Bible Studies, Cassette Tapes, Video Tapes, Etc. And now, thanks to the Internet; the Gospel message is being broadcast by web sites, FLASH animations, inside chat rooms, private messaging, as well as e-mail! The List is truly endless of all the methods the Lord is using to fulfill the prophecy that, “... *this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come.*” [Matthew 24:14]

As for all those nations that would not allow Christians within their borders to preach, this too is an awesome fulfillment of this prophecy. With the destruction of the Iron Curtain, we now see hundreds and thousands of Christians sharing Jesus with everyone they meet in this once barricaded country. Since the fall of the Soviet Union, Russia is also allowing many Christians within its borders to spread the Gospel from one city to the next. Not too many years ago this was an absolute impossibility! Can you see the hand of the Almighty in this prophetic fulfillment? How can anyone dismiss this accurate fulfillment in today's world? The Lord prophecies that all nations will hear His Gospel, but not long ago we see that many nations would not allow His name even mentioned within their borders. And today, we see how it has come to be!

Fact is, there are still some nations that do not allow Christ mentioned in their borders. Take Pakistan, India, or China for example. Yes, there are many missionaries in those countries irregardless of what their Government's say. But with the Internet being invented, now people in these countries as well can have complete and utter access to the Gospel message within their very own homes!

Has everyone that is supposed to hear the Gospel heard it? Has the

Good News been preached to all the nations? I don't know, nor is it possible for any man to know, for the Scripture is plain... *"But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only."* Matthew 24:36 However, Jesus did say in Matthew 24:33 that, *"...When ye shall see all these things, know that it is near, even at the doors."* And so it is.

I am convinced that many people that know of these prophecies, know that they are truth in it's purest form. But their sinful lifestyle is so enticing to them that they choose to deny the truth right before their eyes. These are the same people that fear opening their Bibles because of intense feelings of guilt. They can't open their Bibles because they know the truth in God's Word will convict them. I know this, because I used to be one of those people. How can they not open their Bibles if they **know** it will save them from eternal destruction you ask? I am sorry, but I can't answer that question. Maybe it's the same old useless lying comeback... *"I will loose my friends... job... lover... money... goodtimes... if I walk as Jesus would have me walk."* Is this not an age old come back? The enemy of our faith is very cunning in making sure it will be very difficult to give up such things for Christ. He will place people in jobs, or give them friends they "think" is worth more than eternal life itself. That may seem like a harsh statement, but when you get down to it. That's exactly what they are doing when they say they cannot give up "certain things" for that which Christ has to offer. They actually believe Jesus would mislead them. They can't believe that what He suggested as a healthy lifestyle was truly good for them. They may want to follow Jesus as long as they didn't have to make any drastic changes to their walk of life! This is Roman Catholic theology to the core. They teach you can be saved **IN** your sins. But my Bible says you are saved **FROM** your sins. They want a God that would allow them to sin **AND** still be considered Heaven Bound. I see that in today's society every place I turn. People from all walks of life have decided that they will create God in their image, a god that will ok their sin and still allow them to be holy. A god that won't condemn them for what they believe is doing the right thing, even if it means going in direct conflict with the Word of the One True God. It's no wonder the next prophecy was easily fulfilled. People are starving for a god that will ok their sinful lifestyles so when they can't find it in the Word of God they... *"look to the stars."*

## PROPHECY NUMBER 17

IN THE END, MANY WILL TURN TO SEDUCING SPIRITS  
AND THE LIES OF THE OCCULT WILL BE ACCEPTED  
WORLDWIDE

- *Matthew 24:11* “And many **false prophets** shall rise, and shall deceive many. “
- *1 Timothy 4:1* “Now the Spirit speaketh expressly, that in the **latter times** some shall depart from the faith, giving heed to **seducing spirits**, and doctrines of devils;
- *Matthew 24:24* “For there shall arise **false Christs, and false prophets**, and shall shew **great signs and wonders**; insomuch that, if it were possible, they shall deceive the very elect. “
- *Revelation 16:14* “For they are **the spirits of devils, working miracles...**”

Do you watch TV? Do you not get annoyed by the numerous commercials advertising the 1-900- PSYCHICS? If you have ever been up late at night you would have undoubtedly noticed 80 to 90% of the commercials are dedicated to the psychics. It's on EVERY channel!

We as a created human race have a spiritual side longing for our Creator and ever living God. However, there are those people that for one reason or another have decided to seek spiritual guidance from another instead of looking to the God of the ages. These so-called psychics are giving these people quick fixes to ease their spiritual longings, and at the same time taking them for every dime they can get. The Almighty warns us in His Word that this is to happen in the last days, but these lonely people refuse to read their Bibles and never find out what they are doing is extremely deadly to their souls. The devil has been pumping just enough garbage into their minds via the psychic's to keep them satisfied enough to ignore the truth about what's happening all around them.

The Bible has been proven time and time again to be the most accurate prophetic book of all time. Yet most people would rather believe the shallow lies of a money hungry psychic then the tried and true Word of a Creator God. If these psychics were so accurate, why are they not raking it in from the so many decadent forms of gambling available today? One would think that if they were truly psychic, it

would be child's play to win the Lottery, or clean out a gambling Casino. Simple fact is, it's because they are truly **not** psychic. They merely found a way to make money that can be easily scammed from the lonely, answer seeking gullible public. People want to feel better about their lifestyle choices of sin, and the psychics give them the praise and reassurance they so desperately hunger for. If it keeps you out of the Bible for the answers, then the devil's plan has worked on that particular soul. And the whole time these 1-900-IMA-LIAR's are conning you out of your hard earned cash.

It's not just the little people that are affected by such lies as this. Many heads of nations are also guilty of acknowledging this prophecy fulfilled. Presidents, and even first ladies have sought the council of these psychics, channelors, and spiritualists. Spiritualism has even invaded the churches of every denomination that teaches the soul is immortal and people go immediately to Heaven or Hell at death. This encourages the lie that "maybe there is a spirit world we can access." This is in direct conflict with what the Word of God teaches regarding the state of the dead (see Index).

Psychics are sought out in every walk of life today. teachers, lawyers, doctors, nurses, priests, preachers, housewives, and even teenagers. Every face you see may have already wasted money going to a psychic for a lie filled answer regarding information they supposedly got from "familiar spirits." Many of our very own Presidents admit to seeking the council of psychics. Hillary Clinton herself believes she has the ability to conjure up dead past first ladies for their motherly or sisterly advice. The Reagan's did it as well. Do a little research yourselves, you may find some rather surprising results as to who actually believes the garbage these false prophets of our day spew out of their lying mouths. What's worse, the ones making the laws in this Country and many other countries rely heavily on what their "spirit guides" tell them! Is this not an easy way for the enemy of Christ to get exactly what he needs done?

As for "*The spirits of devils, working miracles*" mentioned in the prophecy, we are now seeing this as well on a daily basis. How many watched the media back in 1996 go crazy covering an event that started in India that within days was reported happening in every nation on earth, including the USA.

Televised News Broadcasts on all channels across the nation **reported and filmed** stone carvings of Hindu Religious Icons **actually drinking milk** from spoons placed under the nose of the stone image. TV News - Channel 15, 27, 55 Danville, Urbana/Champaign IL. March 10, 1996

I saw this with my own eyes! A young Indian woman placed a teaspoon of milk under the nose of a small statue about 7 or 8 inches high, and right there on the TV I saw it suck that milk right up!

The most popular of all these miracles done by devils, would have to be what began in 1917 in Fatima, Portugal (see Index). The so called “virgin Mary” (see Index) was sighted by three children and has done many so called miracles since then. As a matter of fact, the demon that calls himself “*The Virgin Mary*,” has been popping up everywhere across the globe. The most popular still to this day is Lourdes, France where a 14 year old girl saw the *Virgin Mary* back in 1858.

Each year millions visit the grotto where, in 1858, a 14-year-old girl, Bernadette Soubirous (later Saint Bernadette), claimed to have had **visions of the Virgin Mary**. The waters of an underground spring in the grotto are **believed to have miraculous healing powers**. A basilica (completed 1876) and a large underground church are at the grotto. -Microsoft (R) Encarta. Copyright. Copyright (c) 1994 Funk & Wagnall's Corporation.

Marian shrines and places of pilgrimage are found throughout the world. At Monserrat in Spain the Black Virgin has been venerated since the 12th century. The **icon of Our Lady** of Częstochowa has been venerated in Poland since the early 14th century. The picture of Our Lady of Guadalupe commemorates an alleged **apparition of Mary** to the Native American Juan Diego in Mexico in 1531. In the 19th century **a number of apparitions of Mary were reported** that inspired the development of **shrines, devotions, and pilgrimages**—for instance, in Paris (1830, Our Lady of the Miraculous Medal), Lourdes (1858, Our Lady of Lourdes), Knock, in Ireland (1879, Our Lady of Knock), and Fatima, in Portugal (1917, Our Lady of Fatima) “Mary (Virgin Mary),” -Microsoft (R) Encarta. Copyright (c) 1994 Funk & Wagnall's Corporation.

Since most people now believe that when you die you are either in Heaven or Hell immediately at death, thanks to Rome pushing these Marian apparitions so often in the media, it opened the door for the

more dissident forms of spiritualism in every day life. Everything from wizards and witches in Saturday morning cartoons to Harry Potter movies has made spiritualism not only the norm in some areas, it's actually being recognized as a religion now world wide. And to make matter worse among those that claim Jesus as Lord, the Vatican just recently publicized their praise filled endorsement of Harry Potter (see Index) in July of 2009!

**“The Vatican approves of the magic and occult practices described in the Harry Potter books.”** I've had parents ask me, “Have you changed your opinion about Harry Potter now that the Vatican has given its approval to the Harry Potter books and movie?” My answer is, “No.” Yet I know that **many Catholic parents, who had initially had reservations about Harry Potter, have let their kids read the novels after the Vatican approval.** Many other parents are understandably confused. -*Family life Center International* (online source = <http://www.familylifecenter.net/article.asp?artId=146>)

“Now my faithful writer gets the last laugh, as **the Vatican does indeed approve of “Harry Potter.”** Vatican publication *Osservatore Romano* stated that **“the mixture of supernatural suspense and romanticism sets the right balance, making the adventures of the protagonists more credible.”** The write-up goes on to call this latest entry **“the best in the series.”** -*art. ‘Harry Potter And The Half-Blood Prince’: Now Vatican-Approved!* (online source = <http://moviesblog.mtv.com/2009/07/15/harry-potter-and-the-half-blood-prince-now-vatican-approved/>)

**Roman Catholic St Andrews University stated on October 24, 2010** “Theologian Rev. Dr. Stephen Holmes has claimed **Harry Potter should be seen as a “Christ-like” figure** because he promotes Biblical values. The Acting head of divinity at St Andrews University, said some religious commentators had been hasty in their condemnation of the phenomenally successful series.” (online source = <http://www.telegraph.co.uk/culture/harry-potter/8083870/Harry-Potter-is-Christ-like-claims-theologian.html>)

Harry Potter has lit that hellish fire of fulfillment regarding this prophesied event like none other in modern times. Seeing how they are over 1 billion strong now, one can expect a lot more acceptance of the occultism of Harry Potter will spread as Catholics introduce it to their billions of friends. This is actually how the Pagan festivals of

**Halloween, Christmas, Valentines day, and Easter** (see Index) that are embraced by Rome was introduced in America after it was founded. And thanks to the nonstop sludge of vulgar innuendos and jokes on TV that are off color, sexual, violent, perverted, and out right blasphemies in sitcoms like the Simpson's, (see Index) which by the way were just endorsed by the Vatican as well in December of 2009, and in October of 2010. It was just announced by the Vatican that Homer Simpson is a Roman Catholic in good standing!

**“The official Vatican newspaper has declared that beer-swilling, doughnut-loving Homer Simpson and son Bart are Catholics ~ and what’s more, it says that parents should not be afraid to let their children watch “the adventures of the little guys in yellow. Few people know it, and he does everything to hide it. But it’s true: Homer J. Simpson is Catholic”, the Osservatore Romano newspaper said in an article on Sunday headlined “Homer and Bart are Catholics.” -Reuters 10-18-10 (online source = [http://news.yahoo.com/s/nm/20101019/en\\_nm/us\\_simpsons](http://news.yahoo.com/s/nm/20101019/en_nm/us_simpsons))**

**“The official Vatican newspaper has declared that Homer Simpson and son Bart are Catholics and parents should let their children watch the show. ‘Few people know it, and he does everything to hide it. But it’s true: Homer J Simpson is Catholic,’ the Osservatore Romano says. It says a study concludes that the show is ‘among the few TV programs for kids in which Christian faith, religion and questions about God are recurrent themes’” -Bigpond News “Simpson’s are holy” Oct. 20, 2010 (online source = [http://bigpondnews.com/articles/OddSpot/2010/10/20/Simpsons\\_are\\_holy\\_528354.html](http://bigpondnews.com/articles/OddSpot/2010/10/20/Simpsons_are_holy_528354.html))**

It makes one wonder when you see articles from the Vatican like this. True Christianity cannot approve of such demonic activity of Harry Potter or blasphemous and immoral comedy of Homer Simpson, yet Rome, who claims to be a Christian church not only approves, but praises these evil forms of entertainment so as to generate a worldwide adoption into the spiritualism Roman Catholic doctrine has preached since its inception. Harry Potter is bad enough with all its blatant demonic activity. But to call the comedy of the Simpson's Christian entertainment where on a regular basis they blaspheme and make fun of our Heavenly Father and His Son is insane! It's no wonder the following approval has become the norm in our society lately.

**“Wiccan minister says religion has become more acceptable in the mainstream. ...a 2008 American Religious Identification Survey**

out of Trinity College in Connecticut (see Index) suggests that practitioners may be more comfortable **identifying as pagans**. According to the survey, those calling themselves pagans **increased from 140,000 to 340,000 between 2001 and 2008. The number of Wiccans grew from 134,000 in 2001 and 342,000 in 2008.**" -Chicago Tribune. art. 'Expanding the pagan tent of worshippers' (online source = <http://www.chicagotribune.com/news/columnists/ct-met-trice-pagans-1018-20101018,0,7124947.column>)

Paganism is the ultimate in spiritualistic religions. In fact, this is what 86.2% of Roman Catholicism (see Index) claims as Catholic doctrine. Paganism is growing at a phenomenal rate confirming this prophecy fulfilled. This is why people the world over have adopted the exact same mind-set of those in Noah's day just as Jesus predicted. Right before the flood, "GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually." (Genesis 6:5) Then Jesus said in Matthew 24:37, "But as the days of Noe were, so shall also the coming of the Son of man be."

We have all seen the media ablaze with such stories of miracle healings due to some painting of Mary that has blood, or tears coming from the eyes. But I ask, how is it possible for Mary to be doing anything? She is most certainly dead, is she not? She has not yet resurrected with the other true Christians that are **dead in Christ** because Jesus has not yet returned. The Bible is plain in it's teachings of what happens to the person once they have died.

- *Psalms 6:5* "For in death there is no remembrance of thee: **in the grave who shall give thee thanks?**"
- *Psalms 115:17* "The **dead praise not the LORD**, neither any that go **down into silence.**"
- *Psalms 146:4* "His breath goeth forth, **he returneth to his earth**; in that very day **his thoughts perish**"
- *Ecclesiastes 9:5,6* "For the living know that they shall die: but **the dead know not any thing**, neither have they any more a reward; for the memory of them is forgotten. Also their love, and their hatred, and their envy, is now perished; **neither have they any more a portion for ever in any thing that is done under the sun.**"
- *1 Timothy 6:15,16* "Which in his times he shall shew, who is the

blessed and only Potentate, the King of kings, and Lord of lords; **Who only hath immortality**, dwelling in the light which no man can approach unto; whom no man hath seen, nor can see: to whom be honour and power everlasting. Amen.”

It appears rather plain here. The dead seem to be just that...DEAD! They can't remember, they can't thank anyone, they can't praise God, they can't think, they can't even dream because the verse says, *his thoughts perish*. All their abilities have **perished**, the dead *know not any thing*. Notice the verse in *Ecclesiastes 9:6* above. ...*neither have they any more a portion for ever in any thing that is done under the sun*. The Bible is stating that the dead can in **no way** take part in anything that happens under the sun. Pretty plain is it not? Did you also notice in *1 Timothy 6:16* that the King of kings, and Lord of lords, is the **only one** with immortality? We will receive immortality once Jesus **gives** it to us at the sound of the last trumpet. Not before!

My Favorite verse on this subject....

- *1 Corinthians 15:20-23*, “But now is Christ risen from the dead, and become the **firstfruits of them that slept**. For since by man came death, by man came also the resurrection of the dead. For as in Adam all die, even so in Christ shall all be made alive. **But** every man **in his own order**: Christ the firstfruits; afterward they that are Christ's **at his coming**.”

According to this verse, the dead in Christ will **remain in their graves** awaiting the order of resurrection. What is that order you ask? Jesus is the “firstfruits of them that slept” And **then** those that are believers in Jesus will “be made alive”. But when will they be made alive? According to the Bible, they will have to be made alive in the order that God Almighty set up. Jesus, the “firstfruits” and then those that are His followers, “**at His coming**” Rather blunt is it not?

For those that understand, the Bible does say Enoch, Moses, and Elijah, are in Heaven, as well as the multitudes that came out of the grave the day Christ did. Some people that are in Heaven now. Does this contradict what I just said? No! How so? Look at that verse again. It also said, “*every man in his own order*.” Enoch and the others had a different order than the rest of us. Their order was set differently for Biblical reasons. For more information on the state of the dead see <http://www.remnantofgod.org/immortal.htm>

- *1 Corinthians 15:52,53* “In a moment, in the twinkling of an

eye, at the **last trump**: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. For this **corruptible must put on incorruption, and this mortal must put on immortality.**”

So if the Bible is telling us that when people die they are truly dead, and if Mary is dead... who are these people seeing in their visions and apparitions? *2 Corinthians 11:14* actually gives us a rather blunt clue when it says that “...Satan himself is **transformed** into an **angel of light.**”

It’s pretty amazing when you can find the answers to literally **ALL** the questions man can have are in the Bible. Yet man decides he doesn’t need to read it? This is one of the reasons the occult is running rampant today. People have been so conditioned over the years to believe in the lies of Satan that when films like Harry Potter come out, or sitcoms like *The Simpson’s*, they see no wrong in subjecting their children to it. Especially after the prelates in Rome give a praise filled thumbs up to it all. And by the way... that film is an open fulfillment to this prophecy. The woman that wrote those stories is a professed witch. Thanks to the people of this world being so conditioned to embrace her lies, she has become the first woman author that became a billionaire!

Just one more note that I would like to stress. Many people have also had “visions” of another kind recently. It’s called “*Life after Death Experiences.*” They all report the same thing. If they claim to be Christians they report seeing an “*Angel of Light*” at the end of a tunnel. If they aren’t Christian, they report a “*Being of Light*” at the end of the tunnel. Let me ask you this... besides the obvious fact that the Bible identifies this “*Angel of Light*” as Satan. Why do so many people believe that the Almighty ever living God can actually *make a mistake*? Do you honestly believe that God would slip up and allow someone to die, and then us puny little created race of humans have to correct the mistake of God by bringing the deceased back to life? Or are we as a puny human race somehow able to convince an omnipotent God that He messed up, and therefore must return us to the land of the living? Have we become that conceited in our own abilities that we have surpassed God in our hearts?

### **IT’S THE LAST DAYS PEOPLE!**

Whether you believe the warnings in the Word of God or not makes

all difference. The Lord **will** return soon and if you still don't believe it, read up on the people of Noah's day to get an idea of what your fate will be. They didn't believe Noah at that time either when he proclaimed the end was near. They laughed at his claims just like many laugh at ours today. They didn't believe a single word he said. But did that make it untrue? Did their dis-belief stop the now scientifically proven worldwide flood from wiping them from the face of the earth? NOPE they all died just as Noah warned they would.

*Matthew 24:37*

But as the days of Noe [Noah] were, so shall also the coming of the Son of man be.

WHY TAKE A CHANCE?

JESUS SAYS IN VERSE 33 FROM MATTHEW 24 THAT

*“when ye shall see all these things, know that it is near, even at the doors.”*

SO WHEN WE SEE ALL THESE SIGNS FALLING  
INTO PLACE,

WE CAN KNOW THAT THE TIME IS AT HAND

AND SO IT IS...

There are many, I am sorry to say, that will ignore these prophetic events in the hopes that maybe it will all just go away and get better. The Scriptures confirm that in Noah's day **everyone** ignored the warnings except Noah and his family safe within the ark. Are the people of today heeding the warnings prophesied in God's Word? I think not. Are they going about their daily activities as if they haven't a care in the world? Sadly yes, just as Jesus said they would in yet another prophecy.

- *Matthew 24:37,38* “But as the days of Noe [were], **so shall also the coming of the Son of man be**. For as in the days that were **before the flood they were eating and drinking, marrying and giving in marriage**, until the day that Noe [Noah] entered into the ark”

The people of Noah's day waited until they could see it before they would believe it. But by that time it was **too late**. All the history books confirm that never before in history were these prophecies fulfilled as they have been in today's world. For those of you that say, "I'll believe it when I see it" All that can be said is...

## OPEN YOUR EYES!

### PLEASE!

*Don't wait until you see the horizon covered with the planetary girth of the final plague blotting out the sun to repent. For at this time it will be too late! The 125lb chunks of hail will fall with great velocity and life as we know it will end. Reality as we know it will change. Some will be blessed with the new reality of joyous life eternal. The rest will be judged worthy of eternal death.*

### NOTICE!

There are many of you I am sure that feel I am preaching in a way that says... "I am right in saying it's the end times, and the whole world is wrong in saying it's not." It may seem that way because there are indeed very few Christians that hold to these truths in these final days. The only reason our numbers are so few is because the Bible said that we would be few in this day, and so we are.

Some of the most astonishing prophecies in the Bible have to do with the proportion of people who will be saved at the coming of Christ. Jesus clearly taught that only a comparative few would be ready to inherit His kingdom. He said, "Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it." Matthew 7:13, 14. In Luke 18:8, by asking a very penetrating question, Jesus implied that the "few" might be even less than we could hope or imagine. "Nevertheless when the Son of man cometh, shall he find faith on the earth?" Again, the Master spoke of the final separation in these words: "And as it was in the days of Noe, so shall it be also in the days of the Son

of man.” Luke 17:26. Only eight people were saved from the flood and “as it was then” so shall it be at His coming. Other Bible writers and prophets use similar language to portray the “little flock,” the “remnant,” and the “few” who will prove faithful to the very end. The fact that so few will be saved is not nearly as shocking as the reason given in the Bible for their loss. It seems obvious that great multitudes will be excluded from heaven even though they professed Christ, worshipped Him regularly, and spend much of their time doing wonderful works in His name. Jesus said, “*Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.*” Matthew 7:21-23.

These verses reveal that the earth will be flooded with a lot of false religion in the last days. Millions will be spending their time, their effort, and their money in promoting a religion that involves apparent miracles, apparent spiritual gifts, and much enthusiastic activity. All of this is explicitly spelled out in the teaching of our Lord. Yet those many will finally be utterly rejected by Jesus and shut out of heaven. *Talk about startling truth!* More people need to get their eyes open to this little-understood situation that will characterize the end time. Then we need to find out how to avoid the vast spiritual delusions which will cause so many religious people to be lost.

Why will they be rejected in spite of their devoted worship and ministry in the name of Jesus? It has caused some people almost to despair of salvation. How can one know that his own religion will not finally be found in this category?

...a concerned Christian

The only way to know for sure is to look into the Word of God and see with your own eyes. Does the religion you claim to be true proclaiming the Truth? Or is it proclaiming the doctrines devised by the enemy that the Lord will not acknowledge nor tolerate.

- 1 Timothy 4:1 “Now the Spirit speaketh expressly, that in the **latter times** some shall depart from the faith, giving heed to seducing spirits, and **doctrines of devils**; “

...This may be your last chance,

- Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him and he with me. -*Revelation 3:20*

- I tell you, Nay: but, except ye repent, ye shall all likewise perish. -*Luke 13:3*

If you are one that feels the Lord doesn't really care about you, then I challenge you to explain John 11:35, where it says... Jesus wept.

- I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live: -*Deuteronomy 30:19*

...Choose you this day whom ye will serve...

...as for me and my house, we will serve the Lord.

*Joshua 24:15*
