Dear Parents:

The Bay City ISD received a handwritten letter during the Christmas Break on December 28, 2010 addressed to Superintendent Keith Brown. The letter was immediately turned over to the Texas Department of Public Safety in Houston for analysis. Law Enforcement and the Attorney General's Office of Texas are conducting criminal investigations into this matter. **If anyone has any information regarding this letter or the author, please contact Leroy Cunningham Jr., BCISD Police Chief, at 979-245-1856 or the District's hotline number at 979-429-6219.** The safety of BCISD students and staff is paramount. School officials are working closely with law enforcement and are taking steps to inform the parents and school officials of this threat. As the investigation continues, BCISD will keep the public and parents informed.

I am asking for your help. The substance of the letter received is as follows. The letter has been retyped, reformatted, and the profanity has been changed but the spelling is as written. Please note - "A.S.D. is after school detention".

Mr. Brown

Kidds should have a quite classroom to learn in. That is all my child wanted when my kidd told some kidds to shut up in class one day. My Kidd was latter hurt by the talkers.

Now if my rules are not followed to the letter I will cut you youngest girls f\*\*\*\*\* head off and mail it to her mother and that is all you will have to put in the ground.

You F\*\*\*\*\* bleeding heart Liberals have let the pice of S\*\*\* kidds run your schools.

Now here are my rules. Break one and see what happens. Let me be clear if anyone breaks the rules I will punish there kidds this goes for School Board members and kids.

Rules:

1. All rules are to be followed. No rules are to be changed to avoid punishment by me.
2. No talking unless told to. No exceptions.
3. Staff are to enforce all rules or there kidds will pay. Staff is anyone in any way that works for BCISD.
4. There will be no limit to staff in any way to give detention after school you call it A.S.D.
5. A.S.D. will be in one place for each school and run by you 2 days a week "high school" other 3 days for AP's. No teachers run A.S.D. you need to know who your s\*\*\* heads are. No teacher has A.S.D. In there room I will punish them or kidd. ADS will be one our long for each school

6. Student who gets A.S.D. Has that day and next to serve A.S.D. No exceptions.
7. Student get 3 days detention in one week gets 3 days ISS and must serve A.S.D. on those days. No exceptions.
8. Studet in ISS must have parent sign in and out studet from school each day of ISS or pay \$20.00 for each day of ISS. No exceptions.
9. BCISD has until January 4, 2011 to have a meeting with all staff and give each staff a copy of this letter. Letter to each student on new A.S.D. and the rule to it. Parents must sign letter. Students who do not return letter 48 hr. after they get it gets A.S.D. until signed.

P.S. If rule 9 is not followed I will kill a random student because you 2 girls will be well garded by then. I will continue to kill random students until you do. Your lack of student control has hurt my child and I am termanal and will only be with them for 18 months. School will not be a nightmare for them. This is for the best. I know people will hide the joy of what I have done not to seem as hartless as some will think I am.

**As Superintendent, and on behalf of the Board of Trustees, this threat is being taken seriously and all steps are being taken to make the District as safe as possible. If anyone has any information or concerns, please contact the above numbers.**

Sincerely,

Keith A. Brown
