

not only enlighten the reader to the reality our leaders in the church not only deny God, it also illustrates that like the Popes of Rome, the 501c3 grants the pastors spiritual and civil power over their flock just as our Lord said they would seek so as to have the control needed to be able to enforce the long prophesied mark of the beast in Rome.

- **Seducing spirits to cause increase in occult activity**

1 Timothy 4:1 "Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;"

Not only have we seen the occult influencing the church for years now, and especially Roman Catholicism with its numerous Pagan doctrines, we see so called holidays like Halloween, Christmas and even Easter causing billions to bow to Baal and the occult just as the prophecies predicted for the lukewarm Christian of today. But none of this compares to the Vatican's influence on all religions of the world when it comes to the demon called Harry Potter. Just two years ago, Saint Andrews University stated the following all throughout the main stream media so as to assure it would find a global audience.

**"Harry Potter should be seen as a "Christ-like" figure because he promotes Biblical values."** –St Andrews University Theologian Rev Dr Stephen Holmes

Notice what the Vatican stated a year previous.

"the mixture of supernatural suspense and romanticism sets the right balance, making the adventures of the protagonists more credible." The write-up goes on to call this latest entry **"the best in the series."** -Osservatore Romano art. 'Harry Potter And The Half-Blood Prince': Now Vatican-Approved!

Prophecy said the occult would increase near the end, and we see now that the churches placed their seal of approval upon the most wicked movie and books known to man. We now see occult activity exploding across the land as expected. Worse yet, all this appeals to children at an age they are most vulnerable. These children will be adults, and some in positions of power as soon as 2018.

- **A new world order will be established**

Revelation 17:12, "And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast."

Notice how the following document actually uses the same terminology found in the book of Revelation.

### **Adaptive Model of the Global World System**

"The Club had its beginnings in April of 1968, when leaders from ten different countries gathered in Rome... The organization claims to have the solutions for world peace and prosperity...The Club of Rome has been charged with the task of overseeing the regionalization and unification of the entire world... "The Club's findings and recommendations are published from time to time in special, highly confidential reports, which are sent to the power-elite to be implemented. On 17 September 1973 the Club released one such report, entitled Regionalized and Adaptive Model of the Global World System... The document reveals that the Club has divided the world into ten political/ economic regions, which it refers to as 'kingdoms.'" –June 2006, Truth Provided Newsletter

- **Strange signs in the Heavens**

Luke 21:11, "And great earthquakes shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven."

In 2013 we saw a large asteroid blast the Siberian sky damaging buildings and injuring thousands of people, activity on the Sun is now thought by scientists to change physics on earth, Mars has clouds forming on its polar regions, Mercury's magnetic polarity is very noticeable, the rings of Saturn are changing along with a new x-ray field emanating from within, Venus is showing massive heat filled regions, Uranus is completely covered in a green cloud generating massive storms, asteroids with "rings" are now appearing, Jupiter has many new global storms erupting, Neptune's clouds are disappearing, Pluto, though it is moving away from the Sun, is now experiencing a global warming increase of 300%, blood red moons are frequenting earth, and a cloud appears to be coming towards Earth from the Orion Nebula.

- **The rich heaping treasure for the Last Days**

James 5:3 says, "Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days."

We have all seen the rich get richer and the poor get poorer in the last few decades. But we have yet to see rock hard evidence that the rich are actually hoarding their wealth, until now. Due to the many man-made problems in the global economy, most large corporations are not only in a hiring freeze, they are laying people off and actually hoarding cash so as to stay liquid in the event of an

economic crash. But a fat lot of good that cash will do them when the Eastern sky rips open to confirm they chose the wrong means by which to prepare. They should have sought out the Redeemer instead of the financier.

### **Are businesses bracing for U.S. to fall like Rome?**

"Without a doubt, the United States is the Rome of its time. ...So why are companies hoarding cash? The answer is very simple. They are preparing for disaster. Back in 2008, companies got a brief taste of what a United States financial collapse would look like. The United States equities markets plunged over 50 percent, national unemployment nearly doubled during 2007-2010, and heavily leveraged companies like Bear Sterns, Lehman Brothers, and Washington Mutual all fell to bankruptcy. Everyone saw the impact it had on their lives when basic essentials like eggs, milk and other food items went to all-time highs. They saw gasoline skyrocket to levels that eclipsed the worst crises of the 1970s. These were all signs that our demise was possible if not near." –Dan Mangru, "Mangru on Money" art. 06-20-13 WND.com

- **The Gospel will go global right before the end**

Matthew 24:14 "And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come."

**"As never before it is possible to acquaint men the world around with the Gospel.** The many means of communication –the radio and the airplane, added to the seemingly more prosaic contributions of earlier days, the printed page, the railway, the steamship, and the automobile– makes physically feasible the reaching of all men. Christian communities in almost every land and among almost every tribe and nation provide, as never before, nuclei for the spread of the faith." –Kenneth S. Latourette, *The Christian Outlook* (New York: Harper and Brothers, 1948), pp. 200, 201

Keep in mind this excerpt came from an article penned way back in 1948. We now have access to satellite communication, enhanced radio ability, cell phones and of course the Internet to help spread the Gospel the world over. The end this prophecy speaks of is soon to come!

- **False preachers go forth for money instead of souls**

2 Peter 2:1-3, "But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in dammable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. And through covetousness shall they with feigned words make merchandise of you; whose judgment now of a long time lingereth not, and their damnation slumbereth not."

All TV and megachurch pastors today have been known to make false prophecies. Just to highlight a few, Benny Hinn said homosexuality would be wiped out in the 90's, and Fidel Castro would be dead before 2000. Pat Robertson said hurricanes, earthquakes and tornadoes would strike Orlando Florida in 1998 and millions would die. He also said major cities would burn in 2007, and the USA would have a nuclear attack in 2009. Hal Lindsey said the rapture would occur in 1995. William Branham said 300,000 would come to Christ in his India crusade, which never happened. He also predicted Jesus to return by 1977. Harold Camping claimed the rapture would occur on May 21, 2011. And World Bible Society President Dr. F. Kenton Beshore stated to all that based on his lifetime of study; the rapture is to occur before the year 2021, while the Second Coming of Jesus Christ will happen between 2018 and 2028. The fact he's preaching a secret rapture and the false seven year tribulation concocted by Vatican Jesuits is bad enough. But for him to miss one simple Bible verse in his "lifetime of study" that proves he is a false prophet is quite telling to say the least. That verse I refer to is of course, Matthew 24:36 where Jesus says, "But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only."

As for the false preachers making "merchandise of you"; they do so by promoting their churches and books so as to entice you to donate cash to them. They are no longer interested in your salvation. It is now your money that interests them the most.

- **Homosexuality to return as in the days of Sodom**
